Jung's Seminar on Nietzsche's Zarathustra James L. Jarrett, 2020-06-16 Nietzsche's infamous work *Thus Spoke Zarathustra* is filled with a strange sense of religiosity that seems to run counter to the philosopher's usual polemics against religious faith For some scholars this book marks little but a mental decline in the great philosopher for C G Jung *Zarathustra* was an invaluable demonstration of the unconscious at work one that illuminated both Nietzsche's psychology and spirituality and that of the modern world in general The original two volume edition of Jung's lively seminar on Nietzsche's *Zarathustra* has been an important source for specialists in depth psychology This new abridged paperback edition allows interested readers to participate with Jung as he probes the underlying meaning of Nietzsche's great work **Reading Seminar XI**

The Freedom to Choose Life Scott W. Gustafson, 2024-05-28 In *The Brothers Karamazov* Fyodor Dostoevsky proposes ministry as the way to resist and overcome the world's evil He employs two plotlines to do so The action plot concerns the events surrounding the murder of Fyodor Karamazov All evidence points to Dmitri Karamazov Rational circumstantial evidence convicts him yet the reader knows he is innocent The ministry plot occurs in this dark context where small acts of love are performed by The Elder Zosima Alyosha Karamazov and many others These acts of love all answer this unspoken question What can be said and done in Jesus' name that opens the future to new possibilities in contexts heretofore deemed closed and without hope Asking and answering this question is the essence of ministry and since the question can be asked in any context ministry is possible anywhere Dostoevsky's unabashed antisemitism however undermines his brilliant analysis The concluding chapters document how unconfessed sins like antisemitism exert a death-dealing power that undermines our cultures our communities and our ministries *The Freedom to Choose Life* shows how ministry resists and overcomes evil by these small acts of love and by the global effects of repenting of humanity's unconfessed sins

Defrocking the Devil Thomas J. Boynton, 2011-03 *Defrocking the Devil* Theology of Fear is a brief history of the last 2 500 years of monotheism using the actual words of the men who claimed to know the devil figure most intimately From Peter to Constantine to Martin Luther to our present-day theologians these men and hundreds more included in this book supported the early Church fathers' arguments for the inclusion of Satan into Christian polemics A dualism appeared in the story of Jesus immediately after his crucifixion Instead of tirelessly promoting the Christian message of love thy neighbor as thyself a new spiritual equation of hate torture and murder entered the theological landscape *Defrocking the Devil* is an attempt to puncture the myths surrounding the words evil devil and hell Two thousand years after the birth of Christianity and fourteen hundred years after the start of Islam hundreds of millions of people currently living on this planet are in real fear of one day ending up down in the devil's lair How did Christian belief in Jesus become conditional upon the existence of fictional beings and wicked subterranean places *Defrocking the Devil* seeks to illuminate the darkness and empower all people of faith to move beyond theologies that advocate violence into the spiritual equation There have been many books written about this dark side

of Western theology but few historians do much more than recount its bloody genocidal history Defrocking the Devil actively seeks to tear down such religious dogmas by using the very words of those who extolled such a hurtful anti Christian philosophy

A Box of Crosses C. Coolidge Wilson, 2018-02-15 The Reverend Stirling McCutcheon is a Scottish Presbyterian minister who has been called to serve as senior pastor at Madison Avenue Presbyterian Church in Albany New York As one who has placed in juxtaposition Dostoyevsky's notion that there is nothing lovelier than the Savior alongside Gr newald's grotesque portrayal of the Crucified Christ McCutcheon defines his own identity as a devotee of fractured beauty an identity that rivets him to the beauty of his parishioners fractured by misfortune and tragedy A variety of crosses icons that come to him in various ways represents the suffering of his people each cross possessing its unique story In addition to dealing with the age old question of a loving God that allows inexplicable suffering in his beautiful world McCutcheon wrestles with the unnerving query of whether God is expendable McCutcheon's predecessor apparently hanged himself in front of his congregation during a Good Friday dramatic presentation of Paul Claudel's Death of Judas Was it an accident or did his disillusionment cause him to identify too closely with Judas In contrast to his predecessor McCutcheon holds fast to his ordination vows as a shepherd of his flock even at his own personal expense and that of his family

Transformation of Evil, **God Is Undead** Lorenzo Chiesa, Adrian Johnston, 2025-02-20 The undead are neither alive nor dead They are animate yet non living In *God Is Undead* Lorenzo Chiesa and Adrian Johnston contend that true unbelief today sees the divine precisely as exemplifying such undeath In *God Is Undead* Chiesa and Johnston delve into and deepen the insights of both Freudian and Lacanian psychoanalysis as regards unbelief This analytic perspective reveals that modern atheisms appealing to a scientific worldview as an antidote to orthodox religious faith end up as heterodox theisms of Nature Reason Knowledge or even the Market itself They ironically place new gods of their own atop the graves of the traditional gods of old They likewise forget the religious influences underlying modern science One of the most important and novel contributions of *God Is Undead* is its gesture of dignifying unbelief as something that is able to contain multitudes Far from a unified homogeneous and flatly bleak position irreligiosity can come in many forms whose convergences and divergences contain possibilities for creatively thinking and living differently This book shows such variegated non belief in action We have two unbelievers vigorously disagreeing with each other about fundamental ontological matters thereby bringing to light critical questions going to the very heart of any unbelief whatsoever Can an atheism as thoroughly atheistic ever believe in or be certain of itself What is the role of

agnosticism and specifically of an agnosticism strengthening rather than contrasting with atheism in all this How might different unbelievers become what Freud calls comrades in unbelief without erecting new gods in the process Seminar in Folklore and Literature Mary Ellen Brown Lewis,1975 **Zollikon Seminars** Martin Heidegger,2001 Long awaited and eagerly anticipated this remarkable volume allows English speaking readers to experience a profound dialogue between the German philosopher Martin Heidegger and the Swiss psychiatrist Medard Boss A product of their long friendship Zollikon Seminars Protocols Conversations Letters chronicles an extraordinary exchange of ideas Heidegger strove to transcend the bounds of philosophy while Boss and his colleagues in the scientific community sought to better understand their patients and their world Boss approached Heidegger during World War II asking for help in reflective thinking on the nature of Heidegger s work A correspondence ensued followed by visits that soon became annual two week meetings in Boss s home in Zollikon Switzerland The protocols from these seminars recorded by Boss and reviewed corrected and supplemented by Heidegger himself make up one part of this volume They are augmented by Boss s record of the conversations he had with Heidegger in the days between seminars and by excerpts from the hundreds of letters that Heidegger wrote to Boss between 1947 and 1971 For the first time Heidegger makes the fundamental ideas of his philosophy accessible to nonphilosophers Heidegger confronts certain philosophical psychological theories including Freudian psychoanalysis Ludwig Binswanger s and Boss s forms of Dasein existential psychoanalysis and Indian philosophy that he has never previously addressed The lectures correspondence and conversations span twenty five years offering an ongoing view of Heidegger s career and philosophical development A richly detailed picture of one of the century s great philosophers Zollikon Seminars is the best and clearest introduction to Heidegger s philosophy available *The Psychotheology of Sin and Salvation* Paul V.

Axton,2015-10-22 Through the employment of the work of Slavoj i ek and his engagement with the Apostle Paul Axton argues that Paul in Romans 6 8 understands sin as a lie grounding the subject outside of Christ and salvation is an exposure and displacement of this lie The theological significance of i ek along with Sigmund Freud and Jacques Lacan is his demonstration of the pervasive and systemic nature of this lie and its description as he finds it in Romans 7 The specific overlap of the two disciplines of psychology and theology is found in the psychoanalytic understanding that the human Subject or the psyche is structured in three registers the symbolic the imaginary and the real These three registers function like a lie analogous to the Pauline categories of law ego and the body of death which constitute Paul s dynamic of sin s deception Axton argues that if sin is understood as a lie grounding the Subject the exposure of the lie or the dispelling of any notion of mystery connected to sin is integral to salvation and the reconstructing of the Subject in Christ While the lie of sin is mediated by the law new life in the Spirit is not through the law but is a principle unto itself which though it accounts for the law is beyond the law
