Understanding Highly Sensitive Children Lanny McConnel, 2021-05-15 For all you parents with sensitive children this book celebrates it and helps the parents to bring out the positive aspects of having a sensitive child but also helps to coach parents with techniques to deal with the sensitive child when their emotions run high in a very constructive and loving way Highly recommend the book In this book the psychologist focuses on the sometimes challenging task of parenting an emotionally sensitive child The book shows how to recognize our child's temperament and it addresses vulnerabilities that can come with sensitivity such as stress worry and low mood The book also looks at ways that we can bolster sensitive children's social and emotional health and how we can build on their unique strengths A strong emphasis is placed on seeking to understand respect and work with sensitive children and how mothers and fathers can learn more about themselves in the process

Sensitive Child Agnes Pias, 2021-07-26 Transform your child's gift from handbrake to boost for success Many parents still believe this LIE The world is a tough place and to be successful children have to grow up tough too Those who are sensitive are curled up like a leaf That's a lie because Sensitivity is not an obstacle to success but actually a shortcut Except that in children it sensitivity presents itself as a series of problems such as anxiety tantrums insomnia and social issues If you're an HSC parent and want your child to be successful the worst thing you can do is trying so hard to make your child the same as everyone else Homologate him or her What you need to do instead is cultivate your child's gift When you start doing that you'll immediately notice two things The symptoms of sensitivity improve exponentially less anxiety fewer tantrums Your child will unleash his/her genius and start to be much more successful in life better relationships with relatives and friends higher school grades But how you can cultivate your child's gift Concretely Well this guide provides you with tons of proven mindful techniques to cultivate your child's gift and make it shine A glimpse of what you'll find in it What's a Calm Down Jar and why it makes magic on your child anxiety What's the number one thing that you must never tell an HSC otherwise you'll break him/her forever What are the unexpected daily habits an HSC should take to feel calmer and more confident How to surrender your child with a force field to keep bullies away And so much more Make your child's life a masterpiece Only you can do that Get Now Your Copy Of This Guide

THE EMPATHIC PARENT'S GUIDE TO RAISING A HIGHLY SENSITIVE CHILD Karla Garcia, 2021-04-24 55% OFF for bookstores Discounted Retail Price Now at 23.95 Instead OFF 34.95 The first guide explains to you how to understand if your child is hypersensitive and how to transform this feature into a big advantage in the world Many parents suspect that their children are hypersensitive and in 99 percent of cases they are right They're in fact children who manifest peculiar behaviors different from those of their peers

But when they know they are right these parents begin to worry A LOT They think that hypersensitivity is a disadvantage in life and in this case they are terribly wrong Hypersensitivity is NEUTRAL It only depends on parents if it turns into an advantage or remains a disadvantage When hypersensitivity turns into an advantage it can do WONDERS It can give the child advantages of all types advantages at school grades benefits to socializing advantages in sport family benefits they ll have better relationships with family members compared to their peers and many others This guide was born precisely to help you transform your child s hypersensitivity into a huge advantage in life Written in a simple and compelling way it helps you get better into your child s psyche and understand which keys to tap to really help him or her Let s see what you re going to find in it The most accurate test out there to understand if our child is hypersensitive Why hypersensitivity is not a disease but a talent like one of the most famous artists in history All the secrets to living a serene everyday life with a hypersensitive child How to extinguish the irritability in hypersensitive children once and forever And so much more Turn your child s hypersensitivity into an advantage as soon as possible Only you can do it Buy it NOW and let your customers get addicted to this amazing Book **Kindergarten Review** ,1907 *Child Development Abstracts and Bibliography* ,1928 **Parenting the Highly Sensitive Child** Elena Jenkins,2021-04-24 Do you know what it takes to raise well a highly sensitive child Are you confident that you can help your child reach their maximum potential while also keeping them healthy and happy If you are not quite sure about how to do so then this book is the right choice for you Highly sensitive children HSCs are often misunderstood not just by their peers but also by their family teachers and caretakers Many tend to mislabel them as shy or cold Others think of them as slow or crybabies Some may even view high sensitivity as a disorder that should be treated However these assumptions are both incorrect and harmful to the growth and development of HSCs Fortunately more and more parents are becoming aware of this issue thanks in part to the growing research about how to better understand HSCs how to guide them through different kinds of challenges and real life situations and how to nurture them into becoming the best versions of themselves It s good that you are now paying more attention to this matter However note that the parenting strategies that will be discussed in this book require the support of the other members of your family your friends and the teachers who will be taking care of your child while they are at school After all as the famous saying goes It takes a village to raise a child Most importantly you need to get your HSC to cooperate with you None of these strategies would work if you did not take the time to explain what high sensitivity truly means how it could affect the different aspects of their being and how you could help them handle or cope better with the challenges they would face in day to day life Backed by years of research by several child development experts this book shall serve as an objective guide for you as a parent of a highly sensitive child Throughout the chapters you will learn How to differentiate high sensitivity from other conditions such as autism sensory processing disorder and ADHD Effective parenting strategies to help your HSC thrive in various situations Tips on how to guide your HSC to developing necessary life skills and abilities Guidelines for both you and your child s teachers to ensure

your HSC will have a successful safe and fulfilling school life A lot of the issues and challenges faced by HSCs stem from the lack of understanding about the true nature of the high sensitivity trait Do not be one of those people who simply rely on labels and assume things about these children As repeatedly explained by renowned HSP expert Dr Elaine Aron high sensitivity is a normal and innate trait Like other personality traits it has its advantages and drawbacks Your role as a parent to a child who possesses this trait is to nurture and guide them not change or mold them into the kind of person that your culture or society believes they should be So if you agree with this and you want to know more about the proper ways to raise a highly sensitive child add this book to your cart now and start learning the various parenting strategies that could do wonders for your HSC

Raising a Highly Sensitive Child Lara Clegg, 2021-01-23 As a caring parent it is your priority to understand if your child is among the 20% of children born with a nervous system highly aware and quick to react to everything The childhood of someone who is not recognized as a Highly Sensitive Child is very difficult and unconditional love for your children is not enough you need to be prepared and know exactly how to raise them Lara Clegg As a psychotherapist specializing in supporting children ages 3 to 17 Lara Clegg has written this book to help Highly Sensitive Children and their parents whether they are highly sensitive themselves or not make the most of this magnificent gift It is no use explaining to them that they are too sensitive or too shy or too intense because it will make them feel inadequate and they will try to change and when they fail to do so they will feel increasingly isolated and overwhelmed with shame Lara Clegg This unnecessary suffering which the child will carry for the rest of his or her life can be saved by taking the right approach Lara Clegg's Raising a Highly Sensitive Child book approaches hypersensitivity in children in 19 chapters which are bundled into 3 parts PART I Understanding and Recognising Symptoms PART II Best Parenting Strategies in Practice PART III Best Tips to Help your Kid Handle this Gift After reading this book you can recognize all the symptoms that your Highly Sensitive Child has developed such as discomfort to loud noises Sensory Processing Disorder anxiety insomnia Environmental and Emotional Sensitivity helping him/her in his/her little big challenges such as the proper integration in the school environment and building true and lasting relationships Remember a properly supported highly sensitive child will be a balanced and happy adult
