Sensitive Issues An Annotated Guide To Childrens Literature K6:

Sensitive Issues Timothy V. Rasinski, Cindy S. Gillespie, 1992-08-21 Because children's literature explores serious issues using situations and language young students can readily understand the authors of *Sensitive Issues* have selected current fiction and nonfiction elementary level titles that can also be developed into units of study. They describe popular high quality literature and stimulating activities to help young people deal with specific and important issues in their lives: divorce, substance abuse, death and dying, nontraditional home environments, child abuse, prejudice and cultural differences, moving, and disabilities.

Children's Books that Nurture the Spirit Louise Margaret Granahan, 2003 Children develop in so many ways: physically, intellectually, socially, and spiritually. Story is just one of the ways to foster and support a child's faith development. They can find role models in the positive characters in literature and develop empathy for others when they see a different point of view presented. *Children's Books that Nurture the Spirit* is an introduction to quality children's literature for spiritual development. The most current and readily available children's literature is reviewed by the author. In addition, Granahan suggests ways for leaders to use and extend the literature.

This supplement to standard children's literature textbooks will be a help to instructors as they engage their students in discussions about selection of materials, censorship, dealing with curricular issues, the need to understand administrative policies, community beliefs, and their responses to these issues. It is designed to help instructors discuss books in ways that inspire collegiality, collaboration, and scholarship in book evaluation and selection. Using actual case studies, resource reviews, and/or scenarios of censorship, religion, violence, ethnicity, and other issues, the instructor will be able to encourage discussion and reflective thought about real issues faced by teachers and librarians as they select materials for classroom or school library use. This supplement to standard children's literature textbooks will be a help to instructors as they engage their students in discussions about selection of materials, censorship, dealing with curricular issues, the need to understand administrative policies, community beliefs, and their responses to these issues. It is designed to help them discuss books in ways that inspire collegiality, collaboration, and scholarship in book evaluation and selection. Using actual case studies, resource reviews, and/or scenarios of censorship, religion, violence, ethnicity, and other issues, the instructor will be able to encourage discussion and reflective thought about real issues faced by teachers and librarians as they select materials for classroom or school library use. Guides for possible resources for help in researching situations will be included. This will prove a very valuable resource in teaching children's literature courses in schools of education and library schools and useful to practicing teachers and librarians as well. Though the book is slanted toward the use of books as classroom materials, it will be a valuable asset to a school library's professional collection and certainly valuable to the training of pre-service teachers and school librarians. Each chapter begins with a bibliographic essay that introduces the topic to the reader. The essay is

designed as a starting point for further discussion and research A list of references for each chapter is provided at the end of the chapter These references represent sources teachers can use to conduct further research to find multiple perspectives about books
