Travels with my Daughter Niema Ash,2001-10-01 You could say I had an unconventional upbringing At the age of four I was sharing my bedroom with Bob Dylan and by the time I was fifteen I had been taken out of school to go traveling and was smoking joints with my mother Some may be shocked at the adventures mother and daughter share but everyone will admire Niema s celebration of travel motherhood and life itself as this honest and often humorous account describes how she copes with The overwhelming desire to travel which conflicts with the responsibilities of motherhood Finding the confidence to believe in herself and her instincts Being a single mother in the sixties while mixing with some of the most talented poets and musicians of our time including Bob Dylan Leonard Cohen Irving Layton Seamus Heaney and Joni Mitchell Developing a unique mother daughter bond that many only dream about This book will touch a hidden nerve in everyone who reads it as it turns a world of convention and protocol upside down **Index of Trademarks Issued from the United States Patent and Trademark Office** ,1992
