September Affair:

Happy Endings in Hollywood Cinema James MacDowell, 2013-07-22 Hollywood happy ending has long been considered among the most famous and standardised features in the whole of narrative filmmaking Yet while ceaselessly invoked this notorious device has received barely any detailed attention from the field of film studies This book is thus the first in depth examination of one of the most overused and under analysed concepts in discussions of popular cinema What exactly is the happy ending Is it simply a cliché as commonly supposed Why has it earned such an unenviable reputation What does it or can it mean Concentrating especially on conclusions featuring an ultimate romantic union the final couple this wide ranging investigation probes traditional associations between the happy ending and homogeneity closure unrealism and ideological conservatism testing widespread assumptions against the evidence offered by a range of classical and contemporary films

Vanity Will Get You Somewhere Joseph Cotten, 2000-03-24 Joseph Cotten s story

begins in Tidewater Virginia moves on to an episode as a Miami potato salad tycoon and then brings us to his first big break as an actor in the New York theatre Cotten describes how he met the flamboyant Orson Welles at a radio audition at which Welles set a wastepaper basket on fire and their involvement with the Mercury theatre This led to Cotten s first film role as Orson s co star in Citizen Kane quickly followed by parts in The Magnificent Ambersons and The Third Man Orson perhaps the only man to use Churchill as a stooge while trying to set up a film deal was a lifelong friend of Cotten s and this autobiography was one of the last works he read before his untimely death in 1985 Cotten takes us behind the scenes of his stage plays and films recalling amusing and intimate stories of his adventures with Ingrid Bergman Marilyn Monroe Katharine Hepburn David Niven David O Selznick Alfred Hitchcock and many others Sensitive to his own motivations frank about his marriages and warmly revealing about himself and his friends Cotten has written much more than the usual film star biography His skills as an actor have made him a master of character and dramatic momentum and he brings the same talents to his writing Vanity Will get You Somewhere is a generous loving and humorous portrait of a man without a shred of vanity in his nature and of his friends and colleagues in the larger than life world of show business *Adultery and the Female Star* Edward Gallafent,2018-05-24 This book provides an in depth study of Bette Davis Joan Fontaine Kim Novak and Meryl Streep and the treatment of adultery in their films It avoids the near impossible challenge of writing about the sheer volume of adultery in film by focusing on specific periods in the work of these four major Hollywood actresses who have each performed roles that share some features but also contain points of difference The periods discussed cover Davis s work in 1937 to 1943 Fontaine s work between 1939 and 1950 Novak in 1954 to 1964 and finally Streep s work between 1979 and 1985 Closely analysing both established classics and lesser known films Edward Gallafent explores the work of a broad range of directors including Alfred Hitchcock Max Oph ls Sydney Pollack and Billy Wilder *Adultery and the Female Star* explores topics such as motherhood the significance of place censorship and adaptation and is the first book of its kind to take on the topic of adultery in relation to these four actresses It ultimately argues that our understanding of the adultery narrative is tightly bound up with our understanding of the Hollywood stars that depict it **Galax** John Nunn,Judith Nunn Alley,2010 In 1903 the Grayson Real Estate Company was formed land was purchased and the community of Galax became a reality The advantage of having the Norfolk and Western Railroad passing through town gave the young southern community the opportunity to grow and expand during the 20th century Located on a high valley like plateau in the beautiful Blue Ridge Mountains its downtown district is listed on the Virginia Landmarks Register and the National Register of Historic Places The town is surrounded by rolling swells of grassy hills and well kept farms while the Chestnut Creek meanders slowly through the heart of the town with the New River and the Blue Ridge Parkway nearby A collection of old treasured photographs provide a glimpse of the town s first 50 years and of its citizens their lives homes stores and activities *Behind the Screen* P. Szczepanik,P. Vonderau,2013-12-10 Conceptualizing production studies from a European perspective the book evaluates

the history of European thought on production theories of practice the languages grammars and poetics of film practical theories of production systems such as film dramaturgy and the self theorizing of European auteurs and professionals
