

The background is a detailed steampunk illustration. On the left, a large, complex clock face is visible, featuring multiple concentric gears and a single prominent needle pointing towards the top. The gears are rendered in shades of grey and brown. To the right of the clock, there are vertical mechanical structures with several small, glowing yellow and green lights, suggesting a control panel or a series of sensors. The overall color palette is dominated by browns, greys, and metallic tones, with the glowing lights providing a contrast of yellow and green.
