## **Sequentia The Rheingold Curse:**

*Old Norse Poetry in Performance* Brian McMahon, Annemari Ferreira, 2022-05-02 This book presents a range of approaches to the study of Old Norse poetry in performance. The contributors examine both eddic and skaldic poems and consider the surviving evidence for how they were originally recited or otherwise performed in medieval Scandinavia, Iceland and at royal courts across Europe. This study also engages with the challenge of reconstructing medieval performance styles and examines ways of applying the modern discipline of Performance Studies to the fragmentary corpus of Old Norse verse. The performance of verse by characters who appear in the Old Icelandic saga tradition is also considered, as is the cultural value associated not only with the poems themselves but with their various means of transmission and reception. This book will be of great interest to students and scholars in the fields of Old Norse studies, Performance and Theatre History.

**Performing Medieval Narrative** Evelyn Birge Vitz, Nancy Freeman Regalado, Marilyn Lawrence, 2005 A survey of an investigation into whether medieval narrative was designed for performance.

The Poetic Edda Edward Pettit, 2023-03-03 This book is an edition and translation of one of the most important and celebrated sources of Old Norse Icelandic mythology and heroic legend, namely the medieval poems now known collectively as the Poetic Edda or Elder Edda. Included are thirty-six texts which are mostly preserved in medieval manuscripts, especially the thirteenth-century Icelandic codex traditionally known as the Codex Regius of the Poetic Edda. The poems cover diverse subjects, including the creation, destruction, and rebirth of the world; the dealings of gods such as Odin and Loki with giants and each other; and the more intimate personal tragedies of the hero Sigurd, his wife Gudrún, and the valkyrie Brynhildr. Each poem is provided with an introduction, synopsis, and suggestions for further reading. The Old Norse texts are furnished with a textual apparatus recording the manuscript readings behind this edition's emendations, as well as select variant readings. The accompanying translations, informed by the latest scholarship, are concisely annotated to make them as accessible as possible. As the first open-access single-volume parallel Old Norse edition and English translation of the Poetic Edda, this book will prove a valuable resource for students and scholars of Old Norse literature. It will also interest those researching other fields of medieval literature, especially Old English and Middle High German, and appeal to a wider general audience drawn to the myths and legends of the Viking Age and subsequent centuries.

Boston Early Music Festival & Exhibition, 2005 Program including schedules, venues, information on artists, opera and song libretti texts.

**Immigrant's Enigma** Lowell Thomas, 2025-02-21 This second volume in the series follows the adventures of people who encounter an ancient tribal sacred ring once belonging to a tribe of headhunters in the high Andes of northern South America. In this book, a second ancient ring with a white stone appears. The two rings, one black with an evil influence and one white with a good influence, symbolize the freewill choices between good and evil. When possessed together, their influences offset each other. However, when separated, those who possess the white ring experience extraordinary good fortune, while those who hold the black ring suffer disasters, often without understanding.

the cause until the ring leaves their possession At the end of the first volume the black ring was believed to be safely out of circulation but in this second volume it resurfaces bringing new challenges The main character Miguel is the last survivor of his native village Too young to know his parents or birth date he undergoes multiple identity changes as an illegal immigrant In this volume he embarks on a journey to discover his true identity learning that he is the son of his tribe s chief and the heir to the spiritual leadership of twelve native tribes in his South American homeland Alongside Miguel s identity quest several subplots from the first volume continue to unfold Readers may occasionally need to refer to the first book Headhunter s Sacred Ring for background In keeping with the series style only the main characters are named leaving readers to imagine the identities and appearances of other characters *Early Music America* ,2002 Утешение средневековой музыкой. Путеводитель для современного слушателя Данил Рябчиков,2025-05-26 Carmina Burana Labyrinthus Universalia in Re Medievallica Musica Mensurata 2014 2021 Telegram PDF A4 **Directions in Sound** WFIU (Radio station : Bloomington, Ind.),2003 **Frauenlob's Song of Songs** ,2010-11-01 **A Companion to Old Norse-Icelandic Literature and Culture** Rory McTurk,2008-03-11 This major survey of Old Norse Icelandic literature and culture demonstrates the remarkable continuity of Icelandic language and culture from medieval to modern times Comprises 29 chapters written by leading scholars in the field Reflects current debates among Old Norse Icelandic scholars Pays attention to previously neglected areas of study such as the sagas of Icelandic bishops and the fantasy sagas Looks at the ways Old Norse Icelandic literature is used by modern writers artists and film directors both within and outside Scandinavia Sets Old Norse Icelandic language and literature in its wider cultural context *American Record Guide* ,2002 Norwegian Native Art Imke von Helden,2017 Often dismissed as an image with which to attract tourists and to endow athletes with associations of power and endurance the Vikings and Norse mythology seem to have lost their appeal as an element of identity construction in Norwegian society apart from the phenomenon of metal music where these elements are essential This study analyses the functions of Norse themes as they are applied in Norwegian metal culture with regard to the construction and experience of cultural identity shedding light on the musicians diverse motivations and intentions Imke von Helden s research focuses on the adaption of history in metal culture from a Scandinavianist s perspective She currently works as a research assistant at the University of Koblenz Landau Dissertation Series Scandinavian Language Literature Culture Skandinavistik Sprache Literatur Kultur Vol 12 Subject Sociology Music Studies Norwegian Studies Cultural Studies Scandinavian Studies **Early Music Review** ,2002 **Tolkien** B. Rosebury,2016-07-27 Few attempts have been made to arrive at a sober assessment of Tolkien s achievement as a literary artist and even fewer to define a place for him in twentieth century literature This book is a comprehensive and discriminating introduction to Tolkien s work which also aims to redress these deficiencies in earlier criticism Two chapters are devoted to The Lord of the Rings a third explores the bewildering profusion of shorter works the last considers the significance of Tolkien s life and career in the century of modernism *Konteksty* ,2013 **Typisch**

**Deutsch** Dietrich Helms, Thomas Phleps, 2014-09-15 Wie viel Bier ist in Abwandlung einer Sentenz Friedrich Nietzsches in der typisch deutschen Musik Und ist das typisch Deutsche in oder an der Musik überhaupt Was ist typisch Deutsch und ist die Frage nach dem typisch Deutschen in der populären Musik selbst eine typisch deutsche Frage Wo nimmt das typisch Deutsche seinen Anfang in der populären Musik im Volkslied in der volkstümlichen Musik oder der Hausmusik Wo bleibt es auf oder treibt es Blüten im Jazz bei Helge Schneider oder Heino Udo Lindenberg oder der Neuen Deutschen Welle Und wo wird es konterkariert oder hat das typisch Deutsche ein Ende beim Badenweiler Marsch oder im germanophilen Metal bei den alten Onkelz oder frei wildernden Patrioten Fragen über Fragen **Journal of Schenkerian Studies** ,2007
