**New York City** Andrew F. Smith,2013-11-26 New York City s first food biography showcases all the vibrancy innovation  
diversity influence and taste of this most celebrated American metropolis Its cuisine has developed as a lively potluck supper  
where discrete culinary traditions have survived thrived and interacted For almost 400 years New York s culinary influence  
has been felt in other cities and communities worldwide New York s restaurants such as Delmonico s created and sustained  
haute cuisine in this country Grocery stores and supermarkets that were launched here became models for national food  
distribution More cookbooks have been published in New York than in all other American cities combined Foreign and fancy
