Serious About God:

Are You Serious? Ferdinand G. Mahfood, 1999 **What If Jesus Was Serious?** Skye Jethani, 2020-06-02 Daily Devotions for People Who Hate Daily Devotions Let's face it A lot of Christian resources can feel cheesy out of touch and a little boring But when Skye Jethani started doodling and writing up some of his thoughts about God his Twitter and email list blew up What If Jesus Was Serious is a compilation of all new reflections and hand drawn doodles from Skye He takes a look at some of Jesus most demanding teachings in the Sermon on the Mount and pushes us to ask whether we're really hearing what Christ is saying The visual component of the book makes it memorable and enjoyable to read and Skye's incisive reflections make it worthwhile for any Christian If you've traditionally been dissatisfied with Christian devotional resources but love to learn about Jesus and think deeply this book was written for you *Seriously God?* Crystal McDowell, 2016-09-28 Sometimes life suddenly changes and we are left with broken relationships and hearts job loss financial ruin rejection and other major life problems that might cause a crisis of faith Volume 2 of *Seriously God* follows the life of Elijah from his challenge to the pagan prophets to his wondrous exit by a fiery chariot with four sections including Glory belongs to God Give yourself Time Get Back to Work Great Days Ahead Crystal McDowell interweaves her own personal journey from brokenness to breakthroughs with clear Biblical teaching and encouragement for those who are asking *Seriously God* **You Are Not Going to Heaven (and why it doesn't matter)** Wes Bergen, 2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don't Wes Bergen's aim is to cast a vision of the church beyond divine fire insurance Bergen's contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn't enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don't Now get to work helping salvation happen

Who Is God? A Devotional Journey Through Genesis and Exodus M.R. Hyde, 2014-09-25 Who is God Many people have ideas about God Where do you get your ideas M R Hyde invites you to learn about God from the Bible and in particular from Genesis and Exodus This devotional journey first in The Trinity series helps readers move from the Bible as just a history book or biographies of people of faith to the person and character of the God of the universe both personal and majestic righteous and merciful terrifying and wonderful This book is divided into small sections of Genesis and Exodus designed for

personal or small group interaction **Can God Be Trusted?** John G. Stackhouse Jr.,1998-04-09 In a world riddled with disappointment malice and tragedy what rationale do we have for believing in a benevolent God If God is all powerful and all loving why is there so much evil in the world John Stackhouse takes a historically informed approach to this dilemma examining what philosophers and theologians have said on the subject and offering reassuring answers for thoughtful readers Stackhouse explores how great thinkers have grappled with the problem of evil from the Buddha Confucius Augustine and David Hume to Martin Luther C S Lewis and Alvin Plantinga Without brushing aside the serious contradictions posed by a God who allows incurable diseases natural disasters and senseless crimes to bring misery into our lives Stackhouse asks if a world completely without evil is what we truly want Would a life without suffering be a meaningful life Could free will exist if we were able to choose only good Stackhouse examines what the best minds have had to say on these questions and boldly affirms that the benefits of evil in fact outweigh the costs Finally he points to Christian revelation which promises the transformation of suffering into joy as the best guide to God s **Towards The Setting Sun...** Andy Cowell,

The God Exchange Criss Cross,2015-10-28 It is time to evaluate your current value system How do you make decisions Do you base them on cultural references you find on TV or in movies Do you ask your friendsand even strangerswhat they recommend Do some wrong ideas become so implanted in your mind that you need a bulldozer to clear them out Can the relationship between a pet dog and its owner tell us anything about our relationship to God Author Criss Cross The God Exchange uses everyday examples to look at how God created human beings and how it impacts our decisions We make decisions every day Some are big like buying a car or major appliance changing jobs or getting married Others are smaller such as those involving what were going to wear and eat Every decision is made based on what we like and what we perceive as having good value Cross shows how the things we valueand the people whose opinions we valueinfluence our decisions and not always in good ways Many of us leave God completely out of the decision making process When that happens there are eternal consequences As youll read in The God Exchange some wrong decisions can be really funny and amusing others are not They are all part of life and how God designed us as humans Once youre aware of what influences your decisions you can be on your way to making better ones **An earnest and serious answer to Dr. Trapp's Discourse of the folly, sin,**

in this book are solid so every chapter is excellent but the ones mentioned above were two of my favorites Amazon com

Daniel Hays,2021-06-01 Living God's Word is your pathway to read the Bible as it was meant to be read as God's Great Story Many Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole They encounter various passages each week through unrelated readings studies and sermons and it all feels disconnected But once they see the Bible as God's Great Story they begin to understand how it all fits together and they start see how their own lives fit into what God has done and is doing in the world In Living God's Word Second Edition New Testament scholar J Scott Duvall and Old Testament expert J Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible thus enabling them to live faithfully in deep and important ways Living God's Word explores the entire Bible through broad themes that trace the progression of God's redemptive plan Each section deals with a certain portion of Scripture's story and includes Reading listening preparation Explanation Summary Observations about theological significance Connections to the Great Story Written assignments for further study These features combined with the authors engaging style make Living God's Word an ideal book for those who want to understand the Bible better for introductory college courses Sunday school electives or small group study Readers can further enhance their learning experience with the Living God's Word WORKBOOK sold separately which contains additional questions and exercises to help them reflect on what they are reading in Living God's Word **The Urban Myths of Popular Modern Atheism** Paul E. Hill,2019-02-22 How Atheists rely on urban myths about religion to buttress their case against God God and the whole business of being dependent upon him is being downgraded downsized downplayed and most of all just plain dismissed in the modern cultured educated parts of Europe and in academia This process is powered and driven by a whole growing series of interlocked urban myths about what is supposed to be involved in being a religious and often specifically Christian believer This book examines and critiques those myths showing how the Christian faith can be intelligent and supported by reason *Praying God's Way: A Guide to Biblical Prayer* Frank McKinley,2006-12-01 Have you ever felt you wanted to pray more or better but didn't know what to do Praying God's Way can help solve the problem 16 prayers from the Bible are analyzed and made applicable to your life today The book is divided into five themes praise to God intercession for others pleas for help confession of sin and combining prayer with fasting The appendix has questions to help you study further The book concludes with an 8 days of prayer guide Whether you are a seasoned prayer or new to the Christian faith you'll benefit from this book Take a bold step toward a deeper prayer life today *The Reformed Apprentice Volume 4* C. Matthew McMahon,2017-05-18 There is nothing like the Reformed Apprentice workbook series anywhere in the Christian community It is designed to bring Reformed Theology to Christians seeking a deeper walk with Jesus Christ in the form of a workbook not simply a text to read In old England an apprentice was a novice who engaged in a covenant with a tradesman to learn a particular trade A workbook of this kind for today's Christian was

created to engage the student of the Bible to be apprenticed under the historical pastors theologians and teachers of Reformed Theology As the Christian learns and grows in Christ through the Bible they mature into a Reformed Apprentice As with each of the workbooks in this series its purpose is to guide the Christian into a deeper knowledge and relationship with the Lord Jesus Christ as he has revealed himself to the church in his Word and by his Spirit through the centuries in Reformed Theology Cultivating a relationship with Christ takes work and every Christian is commanded by God to have communion with the Father through Christ in the power of the Spirit How powerful is your devotional life This volume specifically covers the three spiritual disciplines which make up private devotions in bible reading and study prayer and godly meditation It extensively quotes the Reformers the Puritans and Reformed theologians from various ages in order to aid the Reformed Apprentice in coming to a knowledge of what truly constitutes biblical private devotions as taught in Scripture Reformed Theology and the Reformed Faith
