*The Sermon on the Mount* Jason S. Martin,1986      **Seeking the Kingdom** David S. Dockery,David E. Garland,2004-12-10 For nearly 2000 years the Sermon on the Mount has been the subject of endless discussion and controversy Authors Dockery and Garland bring puzzling portions of Jesus message to light They uncover important background information on Old Testament law Jewish faith and culture and makes this monumental passage more easily understandable What does it mean to be the salt of the earth in the 1990s What are the real implications of going the second mile The Christian who wants to translate faith into vital lifestyle will find practical encouragement in these teachings of Jesus      Living the Sermon on the Mount Glen H Stassen,2014-12-11 In Living the Sermon on the Mount theologian and award winning author Glen H Stassen helps us to see that the revolutionary ideas in the Sermon on the Mount about loving and caring for each other living in peace and acting justly are not unattainable ideals but a recipe for wholeness and healing in our human relationships and deliverance from the vicious cycles that we get stuck in      **The young Christian's guide to the knowledge and practice of true religion; in a ser. of sermons** Christian,1826      **The Young Christian's Guide to the Knowledge and Practice of True Religion; in a Series of Sermons ... Extracted, in a Great Measure, from Some of the Most Able Divines of the Church of England, Etc ,1826**      The Mennonite Encyclopedia Harold S. Bender,1990

*Catholic Faith and Practice: A manual of theological instruction for confirmation and first communion* Alfred Garnett Mortimer,1897      **No Strings Attached** Rachel Nafziger Hartzler,2013-04-30 No Strings Attached is the story of a Mennonite congregation in Indiana that existed for eighty six years The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority and others operated with a congregational polity and became more assimilated into secular culture The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers Although no strings attached refers to the women s headwear during the 1920s which had no strings it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully living in a community of love joy and peace and offering God s healing and hope to each other and to the world      American Speech Louise Pound,Kemp Malone,Arthur Garfield Kennedy,William Cabell Greet,1927      **The Sermon on the Mount** Frank J.
