## Sermons On Election And Reprobation:

**Sermons on Election & Reprobation** John Calvin,1996 This collection of sermons from the book of Genesis deals with an awesome topic that has throughout time been repeatedly misunderstood unfairly ignored but most often shamefully denied and taught against Calvin will cause the reader of these sermons to rightly understand this profound doctrine to come away with the Biblical truth of the Sovereignty of the Creator and to understand that God is God and needs not man to excuse or explain away the power of the Potter over the clay as he makes to dishonor the vessels of wrath fitted to destruction

**Uncovering Calvin's God** Forrest H. Buckner,2020-08-20 Although God loves you is a common summary of the central message of Christian teaching and preaching a close reading of the Bible and attention to the Christian tradition will reveal passages of Scripture and Christian doctrines particularly John Calvin s doctrine of predestination that seem to undermine confidence in God s love for all people For numerous theologians including many within the Reformed tradition the secret decree of Calvin s God to save some and condemn others seems to undercut completely one s assurance of salvation along with one s ability to trust in and worship God However pastor and scholar John Calvin confidently spoke of God as a loving Father throughout his teaching and preaching In Uncovering Calvin s God Forrest H Buckner unearths Calvin s teaching about the God of love who reigns sovereign over predestination Drawing upon sources from across Calvin s corpus Buckner examines Calvin s teaching on the knowledge of God and the doctrine of predestination to provide a more robust and cohesive understanding of Calvin s theology which Buckner then confirms through an extensive examination of Calvin s preaching in Geneva He then offers a critical comparison of Calvin s approach with the teaching of Luther Zwingli Bullinger Arminius and Barth Using Calvin s system as a starting point this book helps readers perceive the essentials and trade offs of any doctrine of predestination that takes seriously both the Bible and the loving God revealed in Jesus Christ

**The Calvinistic Doctrine of Election and Reprobation No Part of St. Paul's Teachings** John Andrews Harris,1985 **Christianity and Fear** Oscar Pfister,2020-12-17 Originally published in 1948 Christianity and Fear explores the nature and history of Christian love in relation to the problem of fear Based on methods of depth psychology and mental hygiene the book argues for the necessity

of a general concentration of the Christian religion and way of life upon the unity of love through faith and faith through love It presents the struggle between the teaching of Christian love and the many instances of disputes on dogma that have prompted hatred and fear throughout ecclesiastical history By using the theory of fear and compulsions it attempts to explain the directions assumed by these aberrations in Christian history and to highlight love as the essence of the teaching of Jesus Christianity and Fear will appeal to those with an interest in the history of Christianity theology and the psychology of religion Sermons ...
