The Serpent's Teeth Ovid,2006-05-04 In a world of gods and monsters nothing is as it seems When a deadly serpent s teeth are sown in the ground warriors spring from the bloody soil Only a great man can tame them and fulfil his destiny Far away Medusa snakes writhing in her hair meets her nemesis the princess Andromeda is chained to a rock people are transformed into owls frogs even mountains a boy falls tragically in love with his own reflection Enter a universe where love is cruel men are destroyed by the gods and treachery is paid for in blood [The Serpent's Tooth](#) Alex Rutherford,2015-05-12 As the seventeenth century dawns the vast Moghul Empire finally encompasses the entire Indian subcontinent But despite controlling unimaginable wealth and ruling over a quarter of the world s population the Moghul dynasty finds itself in increasing peril Devastated by the death of his beloved wife the once ruthless Shah Jahan has all but abandoned his throne Where he should be protecting his power he has instead devoted himself to constructing the elaborate Taj Mahal a tribute to his wife s memory Aging ill and blinded by grief the Shah cannot see the enmity building between his own sons ambitious hatred so strong it could bring down the entire empire Accurate and compelling Alex Rutherford s The Serpent s Tooth is filled with strikingly human characters and heart pounding action bringing India s bloody history to life [The Complete Story of the Grail](#) Chrétien (de Troyes),2015 The mysterious and haunting Grail makes its first appearance in literature in Chr tien de Troyes Perceval at the end of the twelfth century But Chr tien never finished his poem leaving an unresolved story and an incomplete picture of the Grail It was however far too attractive an idea to leave Not only did it inspire quite separate works his own unfinished poem was continued and finally completed by no fewer than four other writers The Complete Story of the Grail is the first ever translation of the whole of the rich and compelling body of tales contained in Chr tien s poem and its four Continuations which are finally attracting the scholarly attention they deserve Besides Chr tien s original text there are the anonymous First Continuation translated here in its fullest version the Second Continuation attributed to Wauchier de Denain and the intriguing Third and Fourth Continuations probably written simultaneously with no knowledge of each other s work by Manessier and Gerbert de Montreuil Two other poets were drawn to create preludes explaining the background to Chr tien s story and translated here also are their works The Elucidation Prologue and Bliocadran Only in this The Story of the Grail s complete form can the reader appreciate the narrative skill and invention of the medieval poets and their surprising responses to Chr tien s theme not least their crucial focus on the knight as a crusader Equally Chr tien s original poem was almost always copied in conjunction with one or more of the Continuations so this translation represents how most medieval readers would have encountered it Nigel Bryant s previous translations from Medieval French include Perlesvaus the High Book of the Grail Robert de Boron s trilogy Merlin and the Grail the Medieval Romance of Alexander The True Chronicles of Jean le Bel and Perceforest **The Female Fantastic** Lizzie McCormick,Jennifer Mitchell,Rebecca Soares,2018-08-06 For women identified writers of both eras the fantastic offered

Patalon, 2015-05-26 The book had originally been titled THE HUMAN HORROR STORY It was a very over descriptive novel that in many other opinions was just too graphic and gory So although that novel had been decided by me to be put on a shelf for future revising one of its chapters caught my attention So I removed that particular chapter and began building a new story surrounding that specific idea and long and behold within four months I created my second novel RED EYES I worked diligently on making sure that the subject matter although a horror story wouldn't upon being published offend anyone So happy and relieved that the finished novel after several personal revisions was finally what I thought completed How very wrong was I The first project somehow decided to find itself added as an extension to the new novel So once again I had to go in and perform surgery Now both stories had to be merged to be one novel So now I began thinking about a new title Finally I came up with merging both titles into one RED EYES AND THE HUMAN HORROR STORY A SPINE TINGLING ADVENTURE INTO UNKNOWN REALMS Two men each facing an unimaginable inexplicable journey each must face horrors and promises in an alternate reality that is both surreal and yet oddly familiar One man suffering from depression deals with his pain by imagining an easier world until an accident pushes him into another realm where he is reunited with a lost love but also must face zombies and an evil demon He must face the truth of the comforting illusions he created but as his dream world becomes more and more compelling and satisfying what will happen when he has to return to real life The second man enters an alternate reality by committing suicide an act that as he has been warned will have serious consequences He is reunited with his soulmate but they can't stay in the reality they currently inhabit An adversary that they thought they had destroyed is back and they must face him again and to their horror they come to learn that they must defeat their demons over and over as they move to new realms the price for taking your own life is to be doomed to move continually from one reality to the next Red Eyes and the Human Horror Story is a thrilling endlessly inventive exploration of the ways in which imagination shapes our reality and how reality shapes our dream worlds *Songs of Three Centuries* John Greenleaf Whittier, 1890 Songs of Three Centuries. John Greenleaf Whittier, 1883 Philosophy, Science and Revelation Charles Bernard Gibson, 1874 *Women's Authorship in Interwar Yugoslavia* Jelena Petrović, 2018-10-01 This book highlights the extent to which women were positioned as historical subjects in the process of constructing political social and cultural history in Yugoslavia while simultaneously facing the politics of institutional exclusion and academic ignorance of progressive ideas and emancipatory struggles To this effect the book interprets a series of works written in interwar Yugoslavia by women or about women's position in public space The

research corpus is varied including LGBT literature autobiographies travelogues literary correspondence political writings parody bibliographies and dictionaries etc The book argues that women have been programmatically made absent from the so called universal canon of post Yugoslav literature or else negatively valorised or labeled while at the same time women s writing in interwar Yugoslavia reflected articulated and mapped significant social political and cultural issues The book proposes a re reading of the once censored and forgotten texts to counter the politics of exclusion that operates even today in the post Yugoslav space This re reading is carried out in the light of contemporary feminist theories and aims to reveal and emphasise the emancipatory importance of women s authorship In this way Jelena Petrovi provides a fresh perspective on the topical issue of the still contested post Yugoslav space The Fireside Encyclopædia of Poetry Henry Troth Coates,1878
