Prophet, Elizabeth Clare Prophet, 2020-12-29 You have friends in high places There are masters who have come out of all the world s great spiritual traditions These great lights of East and West have graduated from earth s schoolroom and reunited with Spirit in the process known as the ascension The masters tell us that they are examples and not exceptions to the rule We too are destined to fulfill our life s purpose and reunite with Spirit This intriguing work offers an innovative perspective on the universe and your role in it In this brilliant blend of East and West you will discover valuable keys for your own spiritual path You ll learn about the relationship between the ascension nirvana and samadhi the parallel structure of the spiritual and material universes the difference between ascended and unascended masters and the function of the spiritual hierarchy and the role of the masters The Masters and the Spiritual Path also offers a unique meditation on the bliss of union with Spirit and a breathing exercise to help you balance and expand consciousness **Prophecy the Missing Dimension of Healing, the Healing Power of Angels Karma of the Nations** Elizabeth Clare Prophet, 1988-03 **Cosmic Ascension** Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth s history there is a new opening and potentiality to also begin one s cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book The Masters and Their Retreats Marl L. Prophet, Elizabeth Clare Prophet, 2020-08-28 The great lights who have come out of all the world s spiritual traditions and graduated from earth s schoolroom have become widely known as masters They demonstrate that in the world of Spirit there is no division of race religion or philosophy there is simply oneness ineffable sweetness and love

What is not so widely known is that these great masters have retreats temples and cities of light in the heaven world where we can go in spiritual meditation and while our bodies sleep at night In this comprehensive work Mark and Elizabeth Prophet talk about these great masters the stories of their lives and their magnificent spiritual retreats Beyond Ascension Joshua David Stone,1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source
