Our Forgotten Volunteers Bojan Pajic, 2019-03-24 Australian and New Zealand volunteers were already in Serbia treating wounded Serbian soldiers and fighting a typhus epidemic before the ANZACs landed at Gallipoli in 1915 The Gallipoli Campaign sealed Serbia's fate however as Germany Austria Hungary and Bulgaria moved to secure a land supply corridor to Turkey through Serbia Australians and New Zealanders accompanied the Serbian Army on a deadly retreat over wintry mountains to the Adriatic coast When the fighting shifted to the Salonika or Macedonian Front many served there with the British Army the Royal Flying Corps two AIF units and six Royal Australian Navy destroyers in the Adriatic and Aegean Seas Some died in action others from disease Several hundred doctors nurses and orderlies treated the wounded and sick in an Australian led volunteer hospital and in British and New Zealand Army hospitals The author Miles Franklin was a medical orderly supporting the Serbian Army her little known memoir is quoted extensively in this book Fifteen hundred Australians and New Zealanders served on this little known yet crucial battlefield Now for the first time we have an engaging and comprehensive account of what they experienced and achieved in the Great War

No Labour, No Battle John Starling, Ivor Lee, 2014-09-01 From 1917 British soldiers who were unfit or too old for front line service were to serve unarmed and within the range of German guns for weeks or even months at a time undertaking labouring tasks Both at the time and since they have arguably not been given the recognition they deserve for this difficult and dangerous work From non existence in 1914 by November 1918 Military Labour had developed into an organised and efficient 350 000 strong Labour Corps supported by Dominion and foreign labour of more than a million men Following the war the grim and solemn tasks of clearing battlefields and constructing cemeteries which continued until 1921 were also the responsibility of the Corps Here John Starling and Ivor Lee bring together extensive research from both primary and secondary sources to reveal how the vital yet largely

unreported role played by these brave soldiers was crucial to achieving victory in 1918 Review of Current Military Literature , **Quarterly Review of Military Literature** ,1935 **The Monthly Army List** Great Britain. Army,1926

Fine Brother Louise Miller,2018-01-01 The only Western woman to enlist as a soldier in the First World War the Englishwoman Flora Sandes became a heroine and a media sensation when she fought for the Serbian Army and pursued a distinguished career in its ranks This account charts her incredible story her tomboyish childhood in genteel Victorian England her mission to Serbia as a Red Cross volunteer and subsequent military enrolment her celebrity lecture tours her marriage to a fellow officer her survival in a Gestapo prison during the Second World War and her final years in Suffolk A fascinating character of her times and an inspiration to women the world over Flora Sandes is brought to life and restored to her rightful place in history by this biography compiled with the help of her family and using hitherto unpublished private papers and photographs **The Gardeners of Salonika** Alan Palmer,2011-10-06 The Gardeners of Salonika as Clemenceau contemptuously labelled them could well be called the forgotten army of the First World War Yet the Macedonian Campaign was in Lord Hankey s words the most controversial of all the so called sideshows In his definitive The First World War 1999 Sir John Keegan hailed Alan Palmer for having written the best study of the Macedonian Front in English Palmer tells the story of this extraordinary polyglot army it included at various times contingents from seven countries from the first landing at Salonika in 1915 to the peace in 1918 He also illuminates the political and strategic background the ceaseless argument in London and Paris over the army s future and the maze of Greek politics within which it and its commanders were enclosed A masterly and colourful account of this the most controversial and neglected sideshow of them all Guardian Not only a valuable contribution to history but also an enthralling book Sunday Times Writing the Great War Andrew Green,2008-12-04 In this volume Andrew Green examines the progress by which the Official Histories of World War I was written the motives and influences of its paymasters and the literary integrity of its historians The Eastern Front Nick Lloyd,2024-08-27 NEW YORK TIMES BESTSELLER An Economist Best Book of the Year A superb history so much has been forgotten including the course of the war in the east across multiple theaters of operation and the strategies pursued by both sides It is all this and more that Mr Lloyd has resurrected in compelling detail Economist Harrowing E xcellent A masterly study William Anthony Hay Wall Street Journal The first major history in fifty years of the often overlooked Eastern Front of the First World War where a more fluid conflict resulted in the destruction of great empires and the rise of the Soviet Union Writing in the 1920s Winston Churchill argued that the First World War on the Eastern Front was incomparably the greatest war in history In its scale in its slaughter in the exertions of the combatants in its military kaleidoscope it far surpasses by magnitude and intensity all similar human episodes It was he concluded the most frightful misfortune to fall upon mankind since the collapse of the Roman Empire before the Barbarians Yet Churchill was an exception and the war in the east has long been seen as a sideshow to the brutal combat on the Western Front Finally with The Eastern Front the first major

history of that arena in fifty years the acclaimed historian Nick Lloyd corrects the record Drawing on the latest scholarship as well as eyewitness reports diary entries and memoirs Lloyd moves from the great battles of 1914 to the final collapse of the Central Powers in 1918 showing how a local struggle between Austria Hungary and Serbia spiraled into a massive conflagration that pulled in Germany Russia Italy Romania and Bulgaria The Eastern Front was a vast theater of war that brought about the collapse of three empires and produced almost endless suffering As many as sixteen million soldiers and two million civilians were killed or wounded in enormous battles that took place across as much as one hundred kilometers Unlike in the west where stalemate ruled the day the war in the east was fluid with armies embarking on penetrating advances Lloyd narrates the repeated invasions of Serbia as well as the great battles between Russian German and Austrian forces at Tannenberg Komar w Gorlice Tarn w and the Masurian Lakes All along he takes us into the strategy of the generals who decided the war s course from the Germans Ludendorff and Hindenburg to the Austro Hungarian chief Conrad von H tzen dorf to the brilliant Russian Brusilov Perhaps the most radical aspect of the struggle in the east was that the violence was not confined to combatants The Eastern Front witnessed calculated attacks against civilians that ripped the ethnic and religious fabric of numerous societies paving the way for the horrors of the Holocaust Lloyd s magisterial definitive account of the war in the east will fundamentally alter our understanding of the cataclysmic events that reshaped Europe and the world
