Milligans War The Selected War:

Milligan's War Spike Milligan,1988 Milligan's War Spike Milligan,1989 These are the best bits of the greatest war memoirs in the English language collected in one book fat enough to throw at brass hats featuring crabs Harry Secombe the Bill Hall Trio the dreaded Cold Collation and Spike s underwear collection Selected War Memoirs of Spike Milligan Spike Milligan,1995-11 *Authoring War* Kate McLoughlin,2011-01-20 Kate McLoughlin s *Authoring War* is an ambitious and pioneering study of war writing across all literary genres from earliest times to the present day Examining a range of cultures she brings wide reading and close rhetorical analysis to illuminate how writers have met the challenge of representing violence chaos and loss War gives rise to problems of epistemology scale space time language and logic She emphasises the importance of form to an understanding of war literature and establishes connections across periods and cultures from Homer to the War on Terror Exciting new critical groupings arise in consequence as Byron s Don Juan is read alongside Heller s Catch 22 and English Civil War poetry alongside Second World War letters Innovative in its approach and inventive in its encyclopedic range *Authoring War* will be indispensable to any discussion of war representation

Encyclopedia of British Humorists Steven H. Gale,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company Time Out Kent & Sussex Daniel Neilson,2011 Kent and Sussex are popular counties to live in and to visit whether on a day trip or on a longer holiday This title includes what you need to know about these popular counties organised by area and clearly mapped Kaapse bibliotekaris ,1990 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 *Whitaker's Book List* ,1989 **The War with Mexico, 1846-1848** Henry Ernest Haferkorn,1914 **An Encyclopedia of American Women at War** Lisa . Tendrich Frank,2013-01-17 A sweeping review of the role of women within the American military from the colonial period to the present day In America the achievements defeats and glory of war are traditionally ascribed to men Women however have been an integral part of our country s military history from the very beginning This unprecedented encyclopedia explores the accomplishments and actions of the fairer sex in the various conflicts in which the United States has fought An Encyclopedia of American Women at War From the Home Front to the Battlefields contains entries on all of the major themes organizations wars and biographies related to the history of women and the American military The book traces the evolution of their roles as leaders spies soldiers and nurses and illustrates women s participation in actions on the ground as well as in making the key decisions of developing conflicts From the colonial conflicts with European powers to the current War on Terror coverage is comprehensive with material organized in an easy to use A Z ready reference format **Whitaker's Books in Print** ,1990 *Shadow Agents of Renaissance War* Stephen Bowd,Sarah Cockram,John Gagné,2025-10-01 Who were the shadow agents of Renaissance war In this pioneering collection of essays scholars use new archival evidence and other sources including literature artworks and other non textual material to uncover those men women children and other animals who sustained war by means of their

preparatory auxiliary infrastructural or supplementary labour These shadow agents worked in the zone between visibility and invisibility often moving between civilians and soldiers and their labour was frequently forced This volume engages with a range of important debates including the relationship between war and state formation the military revolution or transformation of early modern military force the nature of human and non human agency gender and war civilian protection and expulsion and espionage and diplomacy The focus of the volume is on Italy but it includes studies of France and England and the editors place these themes in a broader European context with the aim of supporting and stimulating research in this field

The Treatment of Prisoners Ralph D. McPhee, 2006 The United States has long adhered to the rules regarding the treatment of prisoners as set forth by the Geneva Convention Following the terrorist attacks of 9 11 however special prisons such as Guantanamo Bay Abu Ghraib and other prisons located around the world that are referred to as dark sites were opened for the confinement and interrogation of suspected enemy combatants Media outlets and books have partially exposed occurrences of various degrees of torture taking place in these facilities These reports have generated a vigorous debate in the U S and the United Nations about the legality and morality of such treatments This book presents recent analyses of these developments

The Old War Horse Myron J. Smith, Jr., 2024-02-26 With a unique prewar history as a snagboat and James B Eads noted catamaran salvage vessel the Benton survived a tumultuous government acquisition process and conversion to become flagship of the Union s Civil War Western river navy From Island No 10 through the Vicksburg and Red River campaigns the revolutionary ironclad participated in both combat and administrative activities earning a prominent place in nautical legend and literature This first book length profile of the warship reveals little known details of both her prewar and wartime career and reviews her final disposal

Women as Veterans in Britain and France after the First World War Alison S. Fell, 2018-07-12 This is the story of how women in France and Britain between 1915 and 1933 appropriated the cultural identity of female war veteran in order to have greater access to public life and a voice in a political climate in which women were rarely heard on the public stage The veterans covered by this history include former nurses charity workers secret service agents and members of resistance networks in occupied territory as well as members of the British auxiliary corps What unites these women is how they attempted to present themselves as female veterans in order to gain social advantages and give themselves the right to speak about the war and its legacies Alison S Fell also considers the limits of the identity of war veteran for women considering as an example the wartime and post war experiences of the female industrial workers who led episodes of industrial action

National Defense Migration United States. Congress. House. Select Committee Investigating National Defense Migration, 1941

Social and Sexual Revolution Bertell Ollman, 1979 The author of *Alienation* extends his original approach to social theory in this discussion of Marx s view of socialism class analysis and the problem of socialist consciousness and Wilhelm Reich s contributions to the psychology of social change
