beauty and went on to win Miss Blackpool 1954 where she first encountered TV producer and presenter Jess Yates. Joining the famous dancing troupe the Bluebell Girls, Helene toured Europe where she broke hearts and honed her dancing and acting skills before being reunited with Jess and embarking on a whirlwind and frequently steamy romance. After mere months, however, the fairy tale marriage took a sinister and violent turn with Helene discovering one too many of Jess' secrets and was forced to leave her husband with baby Paula in tow as she battled life as a single mother roaming Britain and then Europe in search of happiness and fulfillment. Writing candidly about the difficult mother-daughter relationship, Helene reveals her anguish at Paula's unsettled infancy and early signs of mental illness. She sets the record straight about one of Britain's best-loved but least understood stars, fondly recalling Paula's joy on meeting Bob Geldof and writing of the childhood incidents that formed her relationships with family, friends, and associates, and the press. For the first time, she discusses the circumstances that lead to the revelation that Paula's true father was Hughie Green and discloses the identities of some of her most cherished lovers. Explosive, moving, frank, but above all honest, *Big Girls Don't Cry* is a no-holds-barred account of the exciting highs and gut-wrenching lows of a life lived to a full.

Departures Adrienne Bellamy, 2011-01-28 These Philly women will have you cheering them on or shaking your head in *DEPARTURES* by Adrienne Bellamy. They have a recipe for keeping things spicy inside the kitchen and the bedroom. Make sure you turn the heat way up high. Add a dollop of passion and a dash of deceit. Create a stir and sprinkle on some love, optional. Meet the women of *DEPARTURES*. Amber, a feisty yet innocent young girl, has a mother with only three priorities: men, money, and how to get more of both. Luckily, there are other women in her Philadelphia neighborhood to look up to: women who better value their time between the sheets for all the right reasons. There is Sheila, who instead of mourning her no-good dead husband, digs him up and gives him the biggest backlash he has ever seen in his life or afterlife. Reba, who finds love in all the right places outside of Philly. But how will she fit love into her busy schedule as a mother of six, not to mention how to handle that whole sticky issue of her husband? And Lucy, who's searching for the real deal, someone who is marriage material and deserves a successful woman like herself if such a man exists. The unique and always interesting women of *DEPARTURES* will have you cheering them on or shaking your head. Either way, they will touch your soul, as alone and together they learn that breaking free doesn't mean losing ground.
