Gregory F. Treverton

Public Images Of Western Security The Atlantic Papers 54 55:

Democracy and Military Force P. Everts, 2002-02-27 The relationship between democracy and foreign policy has always been controversial Whether good or bad the influence of public opinion a central factor in all democracies on political decisionmaking in matters of war and peace is more important than ever How has the end of the Cold War affected popular attitudes in Western Europe and the USA Is the public no longer willing to tolerate military casualties or is that a myth that serves as a welcome alibi for hesitant politicians North Atlantic Treaty Organization Phil Williams, 2024-11-01 This volume consists of major books written in the English language on NATO as well as an extensive listing of journal articles that deal with various aspects of the Alliance All the major debates that have taken place over the last forty years are discussed **The Atlantic Papers**, 1987 *The European Armaments Market and Procurement Cooperation* Pauline Creasey, Simon May, Pauline Creasy, 1988-06-18 *Missile Defenses and Western European Security* Robert M. Soofer, 1988-11-22 *Missile Defenses and Western European Security* is an important contribution to the current debate on how new weapons initiatives will affect prospects for world peace Soofer generously sprinkles the book with relevant quotes from high ranking NATO officials respected academicians and military policy experts thus enhancing the readers understanding of the subject Friday Review of Defense Literature The NATO alliance has come under increasing strain since President Reagan s announcement of plans for the strategic defense initiative SDI in March 1983 This study examines the logic underlying Western European reactions to SDI and assesses the validity of European anxieties about missile defenses Systematically analyzing the positions of France Britain and West Germany on the full spectrum of NATO defense issues the author attempts to determine whether strategic and tactical missile defenses can in fact contribute to U S and Western security In his introduction the author traces the history of NATO s doubts concerning the strategic nuclear guarantee which were frequently expressed after the Soveits first successful missile launches in the late 1950s He next looks at Western European reactions to the SDI announcement and NATO s strategic thinking on deterrence and escalation He discusses the relation between arms control considerations and the strategic defense initiative focusing on NATO fears that SDI would lead to the abrogation of the 1972 ABM Treaty and with it the end of the arms control process Turning to antitactical missile defense Soofer argues that despite political opposition there exists a substantial strategic rationale for missile defenses deployed in Western Europe Offering clarification and new perspectives on many complex defense issues *Missile Defenses and Western European Security* will be an important contribution to the current debate on how new weapons initiatives will affect prospects for world peace This timely book is for specialists students and academics in the fields of strategic studies peace studies arms control diplomacy and international relations **Realism, Utopia, and the Mushroom Cloud** Michael Bess, 1993-12 Two world wars concentration camps the obliteration of Hiroshima and Nagasaki and continued preparations for nuclear war illustrate the modern world s propensity for mass destruction Yet there have been important signs of

resistance to this trend These have included not only the emergence of mass based peace and disarmament movements but activist intellectuals grappling with the growing problem posed by mass violence among nation states Bess examines the lives and ideas of four of these intellectuals Leo Szilard of Hungary and later the United States E P Thompson of England Danilo Dolci of Italy and Louise Weiss of France Realism Utopia and the Mushroom Cloud is a powerful important scholarly work casting new light upon some of the great issues of modern times Readers will learn much from it Lawrence S Wittner Peace and Change Bess seeks to understand the way in which the creation of the atomic bomb has changed the social and political situation of humankind Are we to be held hostage by military forces or can we transform our situation He describes the lives of four very different activists each with different views on what causes conflict and how best to address conflict Overall this book offers an interesting perspective on life after the atomic bomb In asking ourselves what the possibilities of our future are we can turn to these lives for some guidance This book is informative provocative and encourages one to consider carefully how s he chooses to live Erin McKenna Utopian Studies These four lives researched and skillfully presented by historian Michael Bess make fascinating stories in themselves They also serve as useful vehicles for examining major cross currents of Cold War resistance From Weiss the cynical pragmatist to Szilard the high level fixer to Thompson the social reformer to Dolci the spiritual street organizer Michael Bess has woven an illuminating tapestry of human efforts to cope with life under the mushroom cloud Samuel H Day Jr The Progressive **Public Images of Western Security** Gregory Flynn,N. Edwina Moreton,Gregory F. Treverton,1985 **The West and South Africa** Elizabeth Boles,1988 This paper explores the nature of the South African regime examining commonly held perceptions about the Republic's internal policies and analysing the range and efficacy of current Western policies Western Approaches to the Soviet Union Gregory F. Treverton,1988 SCOTT Copy 1 From the John Holmes Library Collection **Foreign Service Journal** ,1986 **Western Europe** Stanley Woods,1987 **The Allies and Arms Control** Fen Osler Hampson,Harald Von Riekhoff,John Roper,1992 **Europe Versus America** Bård Bredrup Knudsen,1984 **European Studies Newsletter** ,1985 *Rebels Against the Cold War* Michael Bess,1989 *Challenges and Responses in European Security* Vilho Harle,1987 **Bulletin of the Public Affairs Information Service** Public Affairs Information Service,1986 **The SDI and European Security Interests** Louis Deschamps,1987 □□□□□□□□□□□□□□□□1983-1984 □□□□□□□□□□,1987 **PAIS Bulletin** ,1986
