

WHAT IS A METAPHOR?

A metaphor is a form of **figurative language** and it states that one thing is another thing.

Metaphors are words or phrases that we use to help us **describe** something. They are normally used in poetry, literature, and anytime someone wants to add some color to their language.

Some **examples** of metaphors are:

- *She is a shining star.*
- *Time is money.*
- *My mum is an angel.*
