draws on new ways of approaching literary history through the history of the book and of reading The Essais are treated as a mobile transnational work that travelled from Bordeaux to Paris and beyond to markets in other countries from England and Switzerland to Italy and the Low Countries Close analysis of editions paratexts translations and annotated copies is informed by a distinct concept of the social context of a text The concept is derived from anthropologist Alfred Gell s notion of the art nexus the specific types of actions and agency relations mediated by works of art understood as indexes that give rise to inferences of particular kinds Throughout the two volumes the focus is on the particular nexus in which a copy an edition an extract is embedded and on the way that nexus might be described by early modern people The Truth (with jokes) Al Franken, 2005-10-25 The 1 New York Times bestseller by Senator Al Franken author of Giant of the Senate Senator Al Franken s landmark bestseller Lies And the Lying Liars Who Tell Them A Fair and Balanced Look at the Right was praised as a bitterly funny assault The New York Times that rang with the moral clarity of an angel s trumpet The Associated Press Now this master of political humor strikes again with a powerful and provocative message for all of us In these pages Senator Franken reveals the alarming story of how Bush barely beat Kerry with his campaign of fear smear and queers and then claimed a nonexistent mandate Casino Jack Abramoff the Republicans nearest and dearest friend made millions of dollars off of the unspeakable misery of the poor and the powerless And also Native Americans The administration successfully implemented its strategy to destroy America s credibility and goodwill around the world Complete with new material for this paperback edition The Truth with jokes is more than just entertaining intelligent and insightful It is at once prescient in its analysis of right wing mendacity and incompetence and inspiring in its vision of a better tomorrow for all Americans except Jack Abramoff
