New Beginnings in Literary Studies Willie van Peer, 2021-02-03 Traditional studies of literature have developed approaches ranging from historical hermeneutic critical close reading and author studies perspectives The present volume shows that there is much much more to analysing literary texts their readers the literary system movies their structure and their effects These diverse new ways of looking at literature are exemplified in this volume The volume shows how these various approaches can be carried out in concrete projects in the area of literary studies Twenty three chapters encompass research on literary studies from perspectives of psychology linguistics anthropology history sociology computer science The contributors demonstrate in non technical language the amplitude of detail and insight that can be gained from such a wider perspective on the study of literary texts The interdisciplinary diversity of the study of literature may launch itself as a New Beginnings in Literary Studies indeed

A New Beginning Joanne Morreale, 1991-07-03 This book is a postmodern analysis of Ronald Reagan s 1984 film A New Beginning which marked the coming of age of the televisual political campaign film The film was a landmark in the art of political filmmaking Its thesis proclaimed a resurgence of American pride patriotism and prosperity under the leadership of Ronald Reagan A New Beginning was unprecedented for a number of reasons it replaced the traditional nominating speech for the candidate at the Republican National Convention its form was a hybrid documentary and advertisement it illustrated the use of televisual rebirth rhetoric to gain public support for a political ideology and most importantly the masterful project documented a shift from verbal to visual rhetoric in American presidential campaigning The author examines the film as a cultural text and as an effective political tool Framing ideology myth and visual cliché are analytic tools used to deconstruct the film the method combines rhetorical theory with communication theory and semiotically based theories of film and television Morreale gives insight into the increasingly prevalent use of television to create a political reality

New Beginning Lukas Walker, 2024-11-19 In this explosive follow up to Disarm lethal agent Chris Harding sets out to stop a global conspiracy threatening to destroy the United States from within An illegal shipment of AI chips leaves Beijing for California At the same time Army Special Forces veteran Chris Harding and his team of covert FBI operatives are dispatched to Geneva to interrogate the Swiss banker responsible for brokering the transaction But when the banker is murdered by Iranian mercenaries and a corrupt private military contractor is hired to kill Chris and his team it becomes apparent that a cover up is underway But by whom Forced into hiding they partner with an ambitious journalist to retrieve a flash drive they believe holds the answer to that question They soon uncover a deep state conspiracy of epic proportions perpetuated by a decades old organization bent on world domination Hunted by ruthless assassins Chris and his companions discover a plot more terrifying than they could ever have imagined a
