revolutionary feelings and her training as a schoolteacher The next section describes her activities as a schoolteacher in the Haute Marne and Paris and therefore contains much of interest on education in 19th century Europe Her chapters on the siege of Paris the Commune and her first trial show those events from the point of view of a major participant Of particular interest is a chapter on women s rights which Michel saw as part of the search for the rights of all people male and female and not as a separate struggle The Red Virgin Memoirs of Louise Michel will be useful to both scholars and students of 19th century French history and women s studies [100 Books You Must Read Before You Die \[volume 1\]](#)
