Reconnecting Reading and Writing Alice S. Horning,Elizabeth W. Kraemer,2013-09-06

Reconnecting Reading and Writing explores the ways in which reading can and should have a strong role in the teaching of writing in college. Reconnecting Reading and Writing draws on broad perspectives from history and international work to show how and why reading should be reunited with writing in college and high school classrooms. It presents an overview of relevant research on reading and how it can best be used to support and enhance writing instruction.

Handbook of College Reading and Study Strategy Research Rona F. Flippo, 2008-08-15 This Handbook is the most comprehensive and up to date source available for college reading and study strategy practitioners and administrators. In response to changing demographics, politics, policy issues and concerns in the field of college reading and study strategies, since publication of the first edition in 2000, this new edition has been substantially revised and fully updated to reflect the newest research in the field, including six new chapters and a more user friendly structure to make it easier for researchers, program administrators, college instructors and graduate students to find the information that they need. In this thorough and systematic examination of theory, research and practice, college reading teachers will find information to make better instructional decisions; administrators will find justification for programmatic implementations; and professors will find in one book both theory and practice to better prepare graduate students to understand the parameters and issues of this field. The Handbook is an essential resource for professionals, researchers and students as they continue to study, research, learn and share more about college reading and study strategy issues and instruction.

Reading-Writing Connections Mary F. Heller, 1999-04-01 *Reading-Writing Connections: From Theory to Practice* is an extraordinary language arts methods text that enables elementary and middle school teachers to create classroom environments where all students can become lifelong readers and writers. Focusing on developmentally appropriate methods and materials, this remarkably readable book empowers a new generation of teachers to integrate reading, writing, listening and speaking in K-8 classrooms. Heller's highly accessible writing style makes this book suitable as a primary text for undergraduate and graduate courses in language arts, reading, writing and literacy. Special features of this second edition include a vision of how to transform cutting edge theory and research into classroom practice that utilizes integrated language arts instruction; a unique developmental perspective with separate chapters on teaching methods and materials for kindergarten, primary 1-3, intermediate 4-6 and middle grades 7-8; instructional guidelines that offer generous, detailed suggestions for applying theory to practice; plus For You to Try and For Your Journal exercises that encourage critical thinking and reflection; and a wealth of classroom vignettes, examples of students' oral and written language, illustrations and figures that accentuate interesting and informative theory, research and practice. In addition, *Reading-Writing Connections* offers expanded content on the impact of sociocultural theory and the whole language movement on the teaching of reading and writing across the curriculum; greater emphasis on cultural diversity, including new multicultural children's literature booklists that complement the general children's literature bibliographies; and current information on alternative assessment, emerging technologies, the multiage classroom, reader
