Reading The Cantos A Study Of Meaning:

Reading the Cantos Noel Stock,1966 Reading the Cantos (Routledge Revivals) Noel Stock,2010-11-30 First published in 1967 this is a study which tackles the central problem of meaning within Ezra Pound s The Cantos It deals with the question of important critical issues as well as of interpretation and understanding Students of modern poetry will derive great benefit from this vigorous and lucid analysis of Pound s masterpiece Noel Stock s finding is radical that The Cantos is not a really a poem at all but rather notes towards a poem It is a collection of fragments of varying quality some of extraordinary power and beauty but in no sense formed into a work of art Reading the 'Cantos:' a Study of Meaning in Ezra Pound Noel Stock,1967 Language, Sexuality, and Ideology in Ezra Pound's Cantos Jean-Michel Rabaté,Jean-Michel Rabaté,1986-01-01 Ezra Pound s Cantos remains among the most influential and difficult of twentieth century poetic writings But now for the first time Rabat s powerful and original study presents a theory of reading adequate to the challenge of Pound s writing Using elements from Lacanian psycho analysis and Heidegger s powerful meditation of poetry and language this book constructs a theory of reading which both gives full force to the strategies of writing deployed in the Cantos and to the historical and political situations to which those strategies are a response This study provides a fresh reading of the familiar Pound canon Homer Dante Ovid but also of the less well known Ruskin Browning Frobenius Pound s practice of quotation is understood in the context of a new poetic discourse characterized by parapraxis ellipsis condensation and autonomous voices which refer the division of the speaking subject back to an omniform intellect capable of taking on any new personality at will Crucial to an understanding of Pound s situation is the relationship between Chinese and Greek culture an analysis of which allows Rabat to elaborate the tragic dimension in Pound s life and works This book also parallels and contrasts Pound with his major contemporaries such as Eliot and Joyce and with his immediate heirs like William Carlos Williams H D Zukofsky and Olson *Approaches to Teaching Pound's Poetry and Prose* Demetres P. Tryphonopoulos,Ira B. Nadel,2021-04-05 Offers pedagogical techniques for teaching works by Ezra Pound including his prosody his references to classical and Asian traditions and his role in modernism as well as his fascism anti Semitism and other problematic beliefs Gives syllabus suggestions for undergraduate and graduate literature courses including many online resources Ezra Pound and the Career of Modern Criticism Michael Coyle,Roxana Preda,2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound

but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound s reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society

The Ezra Pound Encyclopedia Demetres P. Tryphonopoulos, Stephen J. Adams, 2005-04-30 Ezra Pound forever changed the course of poetry The author of a vast body of literature his enormous range of references and use of multiple languages make him one of the most obscure authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial This encyclopedia is a concise yet comprehensive guide to his life and writings Included are more than 250 alphabetically arranged entries on such topics as Arabic history Chinese translation dance Hilda Doolittle Egyptian literature Robert Frost and Pound s publications The entries are written by roughly 100 expert contributors and cite works for further reading Ezra Pound forever changed the course of poetry His vast body of poetry and critical works make him one of the 20th century s most prolific writers and his influence has shaped later poets great and small His enormous range of references deliberate obscurity and use of multiple languages make him one of the most difficult authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial figures in American literary history This encyclopedia is a concise yet comprehensive guide to his life and writings [The New Ezra Pound Studies](#) Mark Byron, 2020 Essays on recent developments in Pound scholarship and research including newly available primary sources and methodological advances in cognate fields
