Real History Of Tom Jones:

The Real History of Tom Jones J. Stevenson, 2015-12-05 The Real History of Tom Jones revivifies historical materials from which Henry Fielding constructed the greatest comic novel of the eighteenth century This study recovers and explores the contexts necessary to understand Fielding's subtle art such as the bloody conflict for the throne between Stuarts and Hanoverians a contradictory class system game laws that both protected and flouted individual property rights and a justice system that proclaimed hanging for many crimes but let most criminals go Drawing on evidence such as the peculiar appearance of eighteenth century money the fraudulent autobiography of a gypsy king and a magical prayer book illustration the book offers new readings of both Tom Jones and the political and legal landscape of Georgian England *The History of Tom Jones, A Foundling* Henry Fielding, 2018-10-30 **The History of Tom Jones** Henry Fielding, 1791 **A Political Biography of Henry Fielding** J A Downie, 2015-10-06 Existing accounts of Fielding's political ideas are insufficiently aware of the structure of politics in the first half of the eighteenth century and of the ways in which Whig political ideology developed following the Revolution of 1688 This political biography explains and illustrates what being a Whig meant to Fielding **The History of Tom Jones** Henry Fielding, 1992 The protagonist Tom Jones is introduced to the reader as a ward of a liberal Somerset squire appearing a generous but slightly wild and reckless boy Misfortune followed by many spirited adventures as he travels to London to seek his fortune teach Tom wisdom to go with his good heartedness **The History of Tom Jones** Henry Fielding, 1789 **The history of Tom Jones** Henry Fielding, 1832 **The History of Tom Jones, a Foundling** Henry Fielding, 1890 **The History of Tom Jones** Henry Fielding, 1791 [History of Tom Jones, a Foundling](#) Henry Fielding, 2018-02-02 A foundling of mysterious parentage brought up by Mr Allworthy on his country estate Tom Jones is deeply in love with the seemingly unattainable Sophia Western the beautiful daughter of the neighboring squire though he sometimes succumbs to the charms of the local girls When Tom is banished to make his own fortune and Sophia follows him to London to escape an arranged marriage the adventure begins A vivid Hogarthian panorama of eighteenth century life spiced with danger and intrigue bawdy exuberance and good natured authorial interjections Tom Jones is one of the greatest and most ambitious comic novels in English literature
