Louise J. Wilkinson

Rolls Of The Fifteenth 9th Yearhenry Iiicambridgeshire:

Henry III of England and the Staufen Empire, 1216-1272 Björn K. U. Weiler, 2006 Modern historians have frequently maligned Henry III of England 1216 1272 for his entanglements in European affairs However this book moves past orthodox opinion to offer a reappraisal of his activities Using Henry s dealings with the rulers of the Staufen Empire Germany Northern France Northern Italy and Sicily as a case study to explore the broader international context within which he acted the author offers a more varied reading of Henry s European adventures he shows that far from being an expensive aberration they reveal the English king as acting within the same parameters and according to the same norms as his peers and contemporaries Moreover they provide new insights into the structures and mechanisms the ideals and institutions which defined the conduct of relations between rulers and realms in the medieval West medieval politics it is argued cannot be understood in isolation from wider movements ideals and concepts The book will be of value not only for historians of medieval England but also for those with a more general interest in the wider political structures of the pre modern West Dr BJORN K U WEILER is Lecturer in Medieval History at the University of Wales Aberystwyth *Henry III* David Carpenter, 2020-07-14 The first in a ground breaking two volume history of Henry III s rule Professor Carpenter is one of Britain s foremost medievalists No one knows more about Henry and a lifetime of scholarship is here poured out elegantly and often humorously This is a fine judicious illuminating work that should be the standard study of the reign for generations to come Dan Jones The Sunday Times Nine years of age when he came to the throne in 1216 Henry III had to rule within the limits set by the establishment of Magna Carta and the emergence of parliament Pacific conciliatory and deeply religious Henry brought many years of peace to England and rebuilt Westminster Abbey in honor of his patron saint Edward the Confessor He poured money into embellishing his palaces and creating a magnificent court Yet this investment in soft power did not prevent a great revolution in 1258 led by Simon de Montfort ending Henry s personal rule Eminent historian David Carpenter brings to life Henry s character and reign as never before Using source material of unparalleled richness material that makes it possible to get closer to Henry than any other medieval monarch Carpenter stresses the king s achievements as well as his failures while offering an entirely new perspective on the intimate connections between medieval politics and religion *The Oxford Dictionary of Family Names in Britain and Ireland* Patrick Hanks, Richard Coates, Peter McClure, 2016-11-17 Containing entries for more than 45 000 English Scottish Welsh Irish Cornish and immigrant surnames The Oxford Dictionary of Family Names in Britain and Ireland is the ultimate reference work on family names of the UK The Dictionary includes every surname that currently has more than 100 bearers Each entry contains lists of variant spellings of the name an explanation of its origins including the etymology lists of early bearers showing evidence for formation and continuity from the date of formation down to the 19th century geographical distribution and where relevant genealogical and bibliographical notes making this a fully comprehensive work on family names This authoritative guide also includes an

introductory essay explaining the historical background formation and typology of surnames and a guide to surnames research and family history research Additional material also includes a list of published and unpublished lists of surnames from the Middle Ages to the present day

Compassionate Capitalism Catherine Casson, Mark Casson, John S. Lee, Katie Phillips, 2020-04-01 It may seem like a recent trend but businesses have been practising compassionate capitalism for nearly a thousand years Based on the newly discovered historical documents on Cambridge's sophisticated urban property market during the Commercial Revolution in the thirteenth century this book explores how successful entrepreneurs employed the wealth they had accumulated to the benefit of the community Cutting across disciplines from economic and business history to entrepreneurship philanthropy and medieval studies this outstanding volume presents an invaluable contribution to our knowledge of the early phases of capitalism A companion book *The Cambridge Hundred Rolls Sources Volume* replacing the previous incomplete and inaccurate transcription by the Record Commission of 1818 is also available from Bristol University Press

Cambridgeshire Subsidy Rolls, 1250-1695 William Mortlock Palmer, 1912

Calendar of the Fine Rolls of the Reign of Henry III: 9 to 18 Henry III, 1224-1234 Paul Dryburgh, Beth Hartland, Arianna Ciula, José Miguel Vieira, 2007 Recording offers of money to the king for all manner of concessions and favours these rolls are central to the study of political governmental legal social and economic history This book includes some 56 rolls preserved in the National Archives one for each regnal year

Women in Thirteenth-century Lincolnshire Louise J. Wilkinson, 2015 Written by Louise J. Wilkinson this book offers a regional study of women in 13th century England making pioneering use of charters chronicles government records some of the earliest manorial court rolls to examine the interaction of gender status life cycle in shaping women's experiences in Lincolnshire

The Culture of Food in England, 1200-1500 C. M. Woolgar, 2016-01-01 In this revelatory work of social history C. M. Woolgar shows that food in late medieval England was far more complex varied and more culturally significant than we imagine today Drawing on a vast range of sources he charts how emerging technologies as well as an influx of new flavors and trends from abroad had an impact on eating habits across the social spectrum From the pauper's bowl to elite tables from early fad diets to the perceived moral superiority of certain foods and from regional folk remedies to luxuries such as lampreys Woolgar illuminates desire necessity daily rituals and pleasure across four centuries

Approaching Pipe Rolls Richard Cassidy, 2023-06-28 This is the first study specifically concerned with thirteenth century pipe rolls and shows how pipe rolls were compiled what they contain and how to read them These records of English government finance were produced annually They list debts owed to the government by the sheriffs of each county by manors and boroughs and by individuals for taxes fines and judicial penalties They also list the payments made sometimes in cash to the treasury sometimes for building works fees for royal employees and relatives the provision of castles and much more The rolls are an essential source for administrative history and provide detailed information for family and local historians All the rolls are now readily available either in print or online but they are at first sight difficult to understand This

book shows how the rolls evolved in the course of the century and serves as a guide for beginners armed with some basic Latin who want to explore these records As well as explaining the conventions of dates numbers abbreviations monetary units and so on it illustrates the material to be found in pipe rolls by a detailed examination of a single roll Medieval Statistics Mark Casson, John S. Lee, 2024-12-26 This book is the first to systematically examine the sources of medieval statistics It will be useful as a handbook for researchers in financial and cultural history as a history of financial record keeping and as a review of recent research into medieval finance and accounting based on statistical sources Medieval statistics provide a unique window on the past Medieval documents produced by royal governments monastic and ecclesiastical institutions urban boroughs and legal cases for debt recovery provide a mine of useful information on economic life and financial affairs They show that medieval administration was far more numerate and far more sophisticated than is usually recognized This book provides a comprehensive review of the key sources written by leading experts in the field The strengths and weaknesses of each source are reviewed using original documents for illustration and discussing examples from the recent literature The book is mainly concerned with English statistics as they have survived particularly well in both state and private records but which showcase the potential of digital technology in enabling systematic study of medieval primary sources where large databases can now be compiled from original manuscripts This edited volume will be a valuable tool for those working in financial cultural and political history as it seeks to analyse the various ways in which medieval life was documented numerically and the ways in which this information was used within existing power structures **A Prospering Society** John Hare, 2011 This book seeks to explore the changing nature of English society through a case study of countryside and town in southern England during the period from c 1380 to c 1520 It explores the influence of landscape and population on the agriculture of Wiltshire the regional patterns of arable and pastoral farming and the growing contrast between the large scale mixed farming of the chalklands and the family farms of the claylands It examines the changing situation of the rural tenant population as it reacted to the greater opportunities available in the land market During this period Wiltshire became one of the great cloth producing counties of England as reflected in its rising taxable wealth Such economic expansion generated jobs both within the industry and beyond stimulating the market for food services and manufactured goods Salisbury was one of the greatest cities in the kingdom and below this was a hierarchy of interesting lesser towns But such growth generated its own problems more and more people became dependent on the cloth trade and particularly on exporting cloth if exports fell as during the mid fifteenth century crisis they suffered As scholars are increasingly aware the later Middle Ages was a period of considerable change and this study contributes to debates about the nature of both change and continuity at a national level It will also be of value to local historians interested in one of the most important periods in Wiltshire s history BLACKWELL S **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988 **Charters and Custumals of Shaftesbury Abbey, 1089-1216** N. E.

Stacy,2006-05-11 This is a critical edition of six twelfth century surveys of the vast estates of Glastonbury Abbey five of which are printed for the first time They deal with both the monastic household and the Abbot s lordship as tenant in chief They throw much light on the changing methods by which he exploited the resources of his demesne manors and provide evidence of how the services and holdings of the peasantry were affected by a rising population The introduction explains the contemporary context of surveys documents which are of fundamental importance for the economic social and monastic history of twelfth century England BOOK JACKET Domesday Descendants K. S. B. Keats-Rohan,2002 Entries on persons living in post Conquest England 1066 1166 documented in Domesday book pipe rolls and Cartae Baronum Includes Continental origins family relationships and descent of fees **Naming the People of England, c.1100-1350** Dave Postles,2020-05-15 Medieval historians have for some time recognized the significance of personal naming processes and patterns for the illumination of social relations such as kinship and spiritual kinship or godparenthood Increasingly they are employing the investigation of personal naming anthroponymy as part of their elucidation of cultural change attempting through changes in patterns of personal naming to discern cultural transitions and transformations Recent coordinated research on the European continent has produced major collaborative discussion of the cultural implications of naming in France the Iberian peninsular and Italy The fruits of new research into the Germanic lands have also richly enhanced our understanding of cultural change there So it is predicated that a new trans European culture arose in the centuries about and after the year 1000 Omitted from this coordinated understanding of the arrival of a new European cultural tradition as it came to persist is the British archipelago We are however far from devoid of scholarly examination of the culture of personal naming in the British Isles An older generation of linguists produced a basic foundation although it has not remained free of some criticism Subsequently several scholars have independently advanced the interpretive analysis Clark Fellows Jensen Insley and McClure At one level then this book attempts a synthesis of that previous highly valuable but diffuse research to make it more widely known understood and accessible At another level nonetheless it engages with what has become a prevailing narrative of cultural change in England after the Norman Conquest the rapid transformation of English naming and culture through the assimilation of a new dominant extraneous influence By reinserting the detail and complexity it is hoped to demonstrate that far from a single uniform homologous culture there existed residual even resistant and regional cultures The account it is hoped presents a cohesive new narrative of the cultural implications of personal naming in England whilst also addressing important issues of gender politics and social organization **The Reign of Henry III** D. A. Carpenter,1996-01-01 This volume discusses the long reign of Henry III 1216 1272 It examines subjects such as the whole nature of Henry IIIs personal rule the immediate causes of the revolution of 1258 the rise of Simon de Montfort and the explosive development of Engli Business and Community in Medieval England Catherine Casson,Mark Casson,John S. Lee,Katie Phillips,2020-04-01 One of the most important manuscripts surviving from thirteenth century England the corpus

of documents known as the Hundred Rolls for Cambridge have been incomplete until the recent discovery of an additional roll This invaluable volume replaces the previous inaccurate transcription by the record commission of 1818 and provides new translations and additional appendices Shedding new light on important facets of business activity in thirteenth century Cambridge this volume makes a significant contribution to our knowledge of the early phases of capitalism This unique text will be of interest to anyone working in the fields of economic and business history entrepreneurship philanthropy and medieval studies A research monograph based on recently discovered historical documents Compassionate Capitalism Business and Community in Medieval England by Casson et al is also now available from Bristol University Press

Thirteenth Century England V Peter R. Coss, Simon D. Lloyd, 1995 Studies in economic political and social history in 13c England *Albion*, 1984 Vols for 1969 1970 consist of the proceedings of the Conference on British Studies Pacific Northwest Section summer 1971 winter 1972 consists of the proceedings of the Conference on British Studies at its Regional and National Meetings spring 1979 winter 1980 includes proceedings of the Conference on British Studies at its Regional and National Meetings spring 1983 includes proceedings of the North American Conference on British Studies

Rolls Of The Fifteenth 9th Yearhenry Iiicambridgeshire Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rolls Of The Fifteenth 9th Yearhenry Iiicambridgeshire PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rolls Of The Fifteenth 9th Yearhenry Iiicambridgeshire PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rolls Of The Fifteenth 9th Yearhenry Iiicambridgeshire free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rolls Of The Fifteenth 9th Yearhenry Iiicambridgeshire Books

1. Where can I buy Rolls Of The Fifteenth 9th Yearhenry Iiicambridgeshire books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
