B.C. 348** Elizabeth Caroline Johnstone Gray,1844 **Etruscan and Early Roman Architecture** Axel Boëthius,Roger Ling,1978 Axel Boethius s account begins about 1400 B C with the primitive villages of the Italic tribes The scene was transformed by the arrival of the Greeks and by the Etruscans who by about 600 had Rome and Central Italy under their cultural spell *The Etruscans and the First Romans* Charles River Editors,2020-01-31 Includes pictures Includes a bibliography for further reading These people of Greek descent were called Etruscans and it has been discovered that they had advanced so far in civilization that they

afterwards gave many of their customs to the city of Rome when it came to power A confederacy known as the Twelve Cities of Etruria became famous afterwards though no one knows exactly which the twelve were Arthur Gilman The Story of Rome from the Earliest Times to the End of the Republic When people think of ancient Italy the Romans are usually the first and last people that come to mind but long before Rome was built by Latin speaking people the culture of Italy was dominated by the Etruscans Although the Etruscans may not comprise the core of most histories of the ancient Mediterranean they exerted a profound influence on the region from the 8th 5th centuries BCE that continued to resonate for centuries after as the Romans carried on many of their traditions Today much of what is known about the Etruscans comes from the ancient Roman and Greek writers who had a deep respect for them but saw them as exotic and foreign As the famous Roman philosopher Seneca wrote about the Etruscans Whereas we believe lightning to be released as a result of the collision of clouds they believe that the clouds collide so as to release lightning for as they attribute all to deity they are led to believe not that things have a meaning insofar as they occur but rather that they occur because they must have a meaning The Etruscans referred to themselves as Rasenna in their own language but the Greeks called them Tyrrhenians and the Romans referred to them as Etrusci which is where the modern term Etruscan is derived Cornell 1995 45 As this suggests reconstructing Etruscan history is based primarily on the Greco Roman accounts but other sources are utilized by modern scholars to create a more accurate picture Unfortunately despite the fact the Etruscans were a literate people their own histories have disappeared without a trace Nevertheless even with this lack of primary sources the abundance of classical writings about the Etruscans and modern historical archaeological and art historical studies can establish an image of Etruscan history and culture that although not complete is enough for scholars to arrive at some important conclusions An in depth examination of Etruscan history and culture reveals that the Etruscans developed a culture that was as advanced as that of their Greek contemporaries and was also one that the later Romans were indebted to on many levels Rome was a poem pressed into service as a city In that short line Anatole Broyard a 20th century American writer compactly captures the timeless and enchanting beauty that resides within the Eternal City of Rome This tourist destination is often one of the highest ranked on bucket lists for how could one not want to experience its marvelous ruins mirror like rivers and spectacular stretches of aqueducts firsthand As one sips on fine Italian wine on a terrace overlooking the grand remnants of the Colosseum one can practically hear the roars of the battling gladiators and the raucous applause of the spectators And as one strolls through the coarse yet quaint cobblestone streets one can almost hear the galloping horses and screeching wheels of chariots in the distance and even feel the brush of the breeze as they charge past It is difficult not to fall in love with a city so effortlessly nostalgic it verges on utopian The ambitious and fearless emperors that built the legendary Roman Empire from scratch the broad shouldered and bronzed gladiators with their iconic plume helmets and glinting swords and elaborate parties attended by toga wearing Romans fueled by alcohol violence orgies and other godless acts all paint a picture of Roman life
