Roman Albino:

ROME Ruben Ygua,2025-04-10 Traditional methods of studying the past have always given greater importance to nationalist religious and moral interests which subordinated the historical fact to the System point of view That s how we have been educated The time has come to simplify and show respect for our ancestors striving to know what really happened in the past and not just what they want to inform us about After so many years of studying History I came to the conclusion that the best study system is through an impartial objective Chronology that just put each event in its exact place in time revealing History without manipulation This Chronology contains not only purely political facts such as the foundation of cities the birth of kingdoms and empires scientific and geographical discoveries natural disasters and epidemics it also includes information on the most different fields of human activity chemistry astronomy geography mathematics and so on In parallel the chronology is complemented by data that do not belong to a specific date but to an entire epoch they are each society generalities curiosities customs the religion of each civilization inventions or discoveries that cannot be placed in an exact date etc The result of all this set is one of the most complete chronologies within its reach periodically updated with the latest archaeological and scientific discoveries and that transforms the reader into an eyewitness of the past understanding the relation of geographically distant facts to each other but closely connected in time and influencing unexpected consequences This is something that traditional history has generally ignored when it was not usable A work of this magnitude could not be published in a single book so I have divided it into several collections and the Spanish originals are being translated into French English Italian and Portuguese The chronology goes from prehistory to the present day year by year as far as possible For those who prefer a deeper and more detailed study I have prepared a second chronology day by day which for now covers from 1789 to 1946 divided into five collections

The rise of Rome Ruben Ygua,2025-04-10 Traditional methods of studying the past have always given greater importance to nationalist religious and moral interests which subordinated the historical fact to the System point of view That s how we have been educated The time has come to simplify and show respect for our ancestors striving to know what really happened in the past and not just what they want to inform us about After so many years of studying History I came to the conclusion that the best study system is through an impartial objective Chronology that just put each event in its exact place in time revealing History without manipulation This Chronology contains not only purely political facts such as the foundation of cities the birth of kingdoms and empires scientific and geographical discoveries natural disasters and epidemics it also includes information on the most different fields of human activity chemistry astronomy geography mathematics and so on In parallel the chronology is complemented by data that do not belong to a specific date but to an entire epoch they are each society generalities curiosities customs the religion of each civilization inventions or discoveries that cannot be placed in an exact date etc The result of all this set is one of the most complete chronologies within its reach periodically updated with the latest archaeological and scientific

discoveries and that transforms the reader into an eyewitness of the past understanding the relation of geographically distant facts to each other but closely connected in time and influencing unexpected consequences This is something that traditional history has generally ignored when it was not usable A work of this magnitude could not be published in a single book so I have divided it into several collections and the Spanish originals are being translated into French English Italian and Portuguese The chronology goes from prehistory to the present day year by year as far as possible For those who prefer a deeper and more detailed study I have prepared a second chronology day by day which for now covers from 1789 to 1946 divided into five collections

Engravings: Miscellaneous and lexicographical ,1845 *The Prosopography of the Later Roman Empire: Volume 2, AD 395-527* Arnold Hugh Martin Jones,J. R. Martindale,J. Morris,1971 Prosopography definition a study that identifies and relates a group of persons or characters within a particular historical or literary context Http www merriam webster com dictionary prosopography Encyclopædia Metropolitana; Or, Universal Dictionary of Knowledge ... Edward Smedley,Hugh James Rose,Henry John Rose,1845 **The Reign of Emperor Antoninus Pius, AD 138-161** John S. McHugh,2022-10-07 The reign of Antoninus Pius is widely seen as the apogee of the Roman Empire yet due to gaps in the historical sources his reign has been overlooked by modern historians He is considered one of the five good emperors of the Antonine dynasty under whom the pax Romana enabled the empire to prosper trade to flourish and culture to thrive His reign is considered a Golden Age but this was partly an image created by imperial propaganda There were serious conflicts in North Africa and Dacia as well as a major revolt in Britain On his death the empire stood on the cusp of the catastrophic invasions and rebellions that marked the reign of his successor Marcus Aurelius Antoninus Pius became emperor through the hand of fate being adopted by Hadrian only after the death of his intended heir Lucius Aelius Caesar His rule was a balancing

act between securing his own safety securing the succession of his adopted heir and denying opportunities for conspiracy and rebellion Equanimity was the last password he issued to his guards as he lay on his death bed In the face of the threats and challenges he remained calm and composed providing twenty three years of stability a calm before the storms that gathered both within and beyond Rome s borders

The Genesis of the Bible Shaka Saye Bambata Dolo,2012-03-06 This book is about Christianity Islam Judaism and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt North Afrika and used them during The Trans Sahara Afrikan Slave Trade by the Arabs in the name of Allah and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus to enslave the bodies minds and souls of the Afrikan Race This book is about the Jesus Deception that has been passed on down through history by European historians that is still being taught around the world today This book takes a provocative intellectual scholastic historical cultural and sociological look at the Bible This book identifies the names of the translators of the King James Bible of 1611 A D and when the chapters and verses in the Bible were created and who created them The purpose of this book is to expose the historical cultural sociological religious and theological lies of the Europeans and the Arabs This book reveals the truth of the origination of The Bible as There Is No Religion Higher Than The Truth Join me in an intellectual odyssey through time Here I feel like a Lone Warrior standing before a mighty army Come with me on this perilous pilgrimage as we travel through a parallel universe I dedicate this book to my mother and father who gave me life To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture To the Heavenly Father without whom none of this would be possible There are others I would also like to thank for being a part of helping me through this journey called Life such as my professors at the Alabama State University where many a great scholars paths I have crossed To my American family and friends in Mobile Alabama who nurtured and taught me from childhood to adulthood The many friends and colleagues I met in my travels all across America in my intellectual journey and last but certainly not least to my publisher for granting me the opportunity to speak to many all around the world in this forum I am eternally indebted to you all Thank you

The Statesman in Plutarch's Works, Volume II: The Statesman in Plutarch's Greek and Roman Lives Lukas de Blois,Jeroen Bons,Ton Kessels,Dirk Schenkeveld,2017-07-31 This volume presents the second half of the proceedings of the Sixth International Conference of the International Plutarch Society 2002 The selected papers are divided by theme in sections concentrating on statesmen and statesmanship in Plutarch s Greek and Roman Lives The volume bears witness to the ongoing wide ranging interest in Plutarch s biographies

The history of Rome Joseph Anton F. Wilhelm Ihne,1882

Nemesis, the Roman State and the Games Michael B. Hornum,1993 This re evaluation of the place of Nemesis in the Roman World shows that the goddess was associated less with the lower classes than with the emperor and state It also reveals her as particularly connected with the munus and venatio as the result of a function peculiar to these games

Eventually, you will agreed discover a other experience and capability by spending more cash. yet when? do you agree to that you require to get those all needs in imitation of having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more re the globe, experience, some places, as soon as history, amusement, and a lot more?

It is your categorically own get older to work reviewing habit. accompanied by guides you could enjoy now is **Roman Albino** below.
