Samuel Coleridge-Taylor, Musician William Charles Berwick Sayers, J. H. Smither Jackson, 1915 *Beethoven's Dedications* Artur Pereira, 2020-12-30 The dedication of a piece of music is a feature generally overlooked but it can reveal a great deal about the work the composer the society and the music world in which the composer lived This book explores the musical biographical and sociological aspects of the practice of dedicating new compositions in the late 18th and early 19th centuries and makes a significant contribution towards a better understanding of the impact these tributes had on Beethoven's life and work and their function within the context of the musical cultural and economic environments in which they appeared As the first of its kind this study demonstrates that as a result of their different functions published dedications and handwritten inscriptions are distinct from one another and for that reason they have been classified in different categories This book therefore challenges the idea of what exactly can be termed as a dedication a concept which extends far beyond the dedication of musical works

Story-Lives of Great Musicians Francis Jameson Rowbotham, 2019-12-24 In *Story-Lives of Great Musicians* Francis Jameson Rowbotham embarks on an engaging exploration of the lives and contributions of some of history's most influential musicians Written in a captivating narrative style that combines biographical detail with musical analysis the book is an insightful commentary on the interplay of personal historical and artistic factors that shaped each musician's legacy Rowbotham's meticulous research weaves together anecdotal stories musical milestones and cultural context offering readers not only a glimpse into the musicians' lives but also the times in which they thrived The blend of storytelling and analytical reflection places the work firmly within the tradition of 19th century biographical literature resonating with both historical scholarship and literary elegance Francis Jameson Rowbotham was a dedicated musicologist and biographer whose passion for music and its history informed his writing Despite facing the limitations of his era Rowbotham passionately advocated for the inclusion of diverse voices in classical music narratives His background in performance and education provided him with a nuanced understanding of the intricate relationship between a musician's life and their artistic output This book is a must read for anyone interested in the rich tapestry of musical history as it not only highlights the artistic journeys of these remarkable figures but also offers a thoughtful examination of how their lives intersect with broader cultural developments Rowbotham's engaging prose will resonate with both musicians and general readers alike inspiring a deeper appreciation for the stories that shaped their beloved art form
