Moo,2014-07-08 In this updated edition of his successful textbook a leading evangelical New Testament scholar offers a guide to the book of Romans that is informed by current scholarship and written at an accessible level The new edition has been updated throughout and features a new interior design After addressing introductory matters and laying the groundwork for reading Romans Douglas Moo leads readers through the weighty argument of this significant book highlighting key themes clarifying difficult passages and exploring the continuing relevance of Romans As with other volumes in the well received Encountering Biblical Studies series this book is designed for the undergraduate classroom and includes pedagogical aids such as photos and sidebars A test bank for professors is available through Baker Academic s Textbook eSources      Covenant Theology Phillip D. R.

Griffiths,2016-06-10 God has always dealt with his people through the covenant yet covenant theology from a Baptist perspective is a teaching that is all too often neglected Many Baptists don t know why they are Baptist If questioned they are most likely to respond by alluding to the mode of baptism rather than its underlying theology This book is easily accessible providing the reader with a clear understanding of the historical Baptist position The work points out the errors inherent in the Reformed paedobaptist paradigm and seeks to show that the only covenant of grace is the new covenant in Christ

**Making Christianity Work: Letters and Lessons on Leadership, Theology and the Church** Carl Shank,2012-08-06 Insights shared by an author and church leadership consultant from letters emails and various mentoring situations involving many lay and professional ministry leaders over an almost forty year ministry span Sections include Feeling About God and Life Knowing God Better Faith and Culture On Church Health and Growth On Church Difficulties On Preaching and Teaching and On Theology      **When Wright is Wrong** Phillip D. R. Griffiths,2019-01-14 In today s world the Christian is constantly

being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel      SUPERABOUNDING GRACE AN

EXPOSITION OF ROMANS 5-8 FOR MEN G. Brian Christie,2024-01-31 This book is intended for Christian men who want to grow in their faith by understanding knowing and applying God s Word to their daily lives It is a solid exposition of Romans 5

8 in which the apostle Paul sets out the benefits of justification and God's superabounding grace which include reconciliation salvation from God's wrath on that Final Judgment Day eternal life new life in Christ serving in the new way of the Spirit freedom from the old realm of sin and death and the benefits and blessing of being indwelt by the Spirit But the thrust of these chapters is God's unstoppable purpose to bring us justified sinners to glory resurrection bodies on the restored earth with Christ forever This book is not written by a seminary professor pastor or full time Christian worker It is written by a businessman to businessmen as a fellow traveler who has spent a lifetime immersed in the hurly burly of the business world So the application of the exposition directly addresses the issues men in the business world face on a daily basis like greed pride sexual temptation anger patience priorities humility lying exaggeration and perseverance It is heavy on grace forgiveness and restoration Each chapter can be read in about ten to twelve minutes Ideal for busy men Recommend reading one a day for forty days or as part of a men's Bible study group a chapter or two a week G Brian Christie ThM Dallas Theological Seminary JD University of Texas a transactional deal lawyer business executive and company director has taught men's Bible studies in churches in Texas and California for over the past forty five years He is the author of 12 Marks of a Man of God and Jesus the Messiah the Son of God an Exposition of the Gospel of Mark for Men [NIVAC Bundle 7: Pauline Epistles](#) Douglas J. Moo, Craig L. Blomberg, Scott J. Hafemann, Scot McKnight, Klyne Snodgrass, Frank S. Thielman, Daniel Garland, Michael W. Holmes, Walter L. Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **The Grace of Christ, Third Edition** Eric Roessing, 2023-09-28 The purpose of this book is to communicate as clearly as possible Paul's gospel of God in its depth from what I have learned over five decades of studying Paul's letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul's gospel can only be known by the Spirit of God through comparing Paul's Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther's grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God's saving righteousness is revealed from Christ's faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one

of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him

**From Moses to Messiah** Salvador Ung Hayworth, 2018-08-19 A series of studies going through the whole of the Book of Romans Dealing with Jewish and Gentile integration in the Messiah and the questions surrounding the Laws and the covenants in Scripture This book follows the thread of Paul's thought through Romans building on the foundation of the life situation of Paul's readers However this book also seeks to expound on those concepts and apply them to us today

*The God-Man* J.D. Williams, 2019-01-29 For those who truly desire a comprehensive understanding of the exigency of the incarnation centrality of the cross and the sine qua non of the resurrection This is a must read Dr Williams brilliantly weaves together orthodox theology with practical application resulting in a work meaty enough for the scholar yet digestible and building for the everyday church goer Bishop Donald Clay Petra International Ministries Pittsburg PA This book is an important contribution to the 21st century Christian community It presents a strong unapologetic biblical methodical argument of The God Man Jesus based on Scripture with strong visual illustrations As such ministers and lay persons would greatly appreciate and benefit biblically and theologically in regards to the natures and function of The God Man Therefore I strongly encourage and recommend everyone to read this book which presents a clear succinct understanding of The God Man

**Be Mature in Understanding** Ben Midgley, Martin Pakula, Paul F. Morris, 2021-04-21 This book has been written out of a deep concern to see Jewish believers in Yeshua Jesus playing their part in the worldwide church of Messiah using their knowledge of God's word their Jewishness their natural and spiritual gifts and a humble thankful heart Knowledge of the truths of Scripture is a

vital key to love for God and fruitfulness in his service and this book focuses on both the Bible's unfolding story biblical theology and its specific doctrines and their interrelationship systematic theology Our aim is to build a biblical framework of thinking in the heart and mind It is written from an evangelical understanding and in a way that interacts with the main forms of Judaism and Christianity It is a study book with questions to answer and further reading suggestions Similar books of doctrine with the same scope have been written but few if any take account of the context of Jewish readers and the issues which are important to them The authors have attempted to achieve this within the context of the whole counsel of God Error sets no one free but truth does the hope of the authors is for readers to be free to love and serve the Lord with all their mind and heart

**From DEATH to LIFE** John J. Cobb, 2012-07-16 For the past thirty years John J Cobb has devoted himself to teaching the foundational truths of the Christian faith His first work *Lord When A Biblical Perspective on the Second Coming* embodies the author's passion for the accuracy and purity of God's word His latest work *From Death to Life* is just another example of his passion for the doctrines of God as it explores some of the core doctrines of the Christian faith such as The Doctrine of God Man's Total Depravity Sin Justification Election Predestination These and others covered in *From Death to Life* are crucial to the Christian's understanding of who they are and the tremendous love God has for us The author is convinced that the main reason so many Christians are so easily misled by false teachers today is a lack of understanding of these doctrines The author's desire is that all who read this book will be strengthened in their faith and rediscover their love for God and His word

Preaching and Preachers D. Martyn Lloyd-Jones, 2012-01-24 Some may object to my dogmatic assertions but I do not apologize for them Every preacher should believe strongly in his own method and if I cannot persuade all of the rightness of mine I can at least stimulate them to think and to consider other possibilities I can say quite honestly that I would not cross the road to listen to myself preaching and the preachers whom I have enjoyed most have been very different indeed in their method and style But my business is not to describe them but to state what I believe to be right however imperfectly I have put my own precepts into practice I can only hope that the result will be of some help and especially to young preachers called to this greatest of all tasks and especially in these sad and evil times With many others I pray that The Lord of the harvest may thrust forth many mighty preachers to proclaim the unsearchable riches of Christ

The Grace of Christ Eric Roessing, 2016-07-29 Martin Luther and other Reformers were instruments in God's hand to recover the gospel in the Holy Scriptures Nevertheless it is an irony that along with the gospel there was still law in the sense of law as rule of life in the teaching of the Reformers On the issue of the law even Luther was not as consistent as was Paul the apostle In *The Grace of Christ* the saving righteousness of God which justifies the ungodly in Christ and frees us from trusting in our righteousness is given its central place as it is in the gospel of God Rom 1:1ff At the same time the new creation in Christ is also given its rightful due Following the apostles teaching in terms of what Paul means by both justification and new creation in Christ *The Grace of Christ* like no other book shows that both of these realities exclude any

idea of the law of Moses as the rule of life for those in Christ Paul is not an antinomian The new creation in Christ is our rule Gal 6 15 16 Roessing does not base his position on only this one text but rather shows how Paul consistently teaches this truth in many places and ways even though the flesh rejects it And Roessing is not alone in this view he is close to that of Gerhard O Forde and even closer to that of Wolfhart Pannenberg But this issue of the believers rule is just one of the aspects of grace covered in The Grace of Christ For those who want to learn something of the depth of the things freely given us by God The Grace of Christ the law in light of the Gospel sets forth those things so that the spiritually hungry will want to behold the grace of God in Christ as he is set forth in these pages and to return again for more

**Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson)** Jason C. Meyer, 2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way

**Romans** David Martyn Lloyd-Jones, 1972

**A Tidy Faith** Jonathan F. Bayes, 2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing proof texts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry
