*The Romantic Egoists* Matthew Joseph Bruccoli, Scottie Fitzgerald Smith, Joan Paterson Kerr, 2003 This pictorial autobiography of Scott and Zelda Fitzgerald documents two lives that have become legendary The book draws almost entirely from the scrapbooks and photograph albums that the Fitzgeralds scrupulously kept as their personal record and provides a wealth of illustrative material not previously available Minnesota a photograph of the country club in Montgomery Alabama where the two met reviews of *This Side of Paradise* poems to the couple from Ring Lardner snapshots of their trips abroad Fitzgerald's careful accounting of his earnings a photograph of the house on Long Island where *The Great Gatsby* was conceived postcards with Fitzgerald's drawings for his daughter These rare photographs and memorabilia combine into a narrative augmented by selections from Scott's and Zelda's own writings conveying the spirit of particular moments in their lives

Koblas, 2004 Boyhood pranks in the backyards of Cathedral Hill mansions Young love at the Minnesota State Fair Jazz Age parties at the University Club golfing and dancing at the White Bear Yacht Club F Scott Fitzgerald's St Paul boyhood shaped him and provided scenery and plots for many of his most successful short stories Fitzgerald's parents moved many times but they stayed in the same well to do city neighborhood The young writer continued this pattern after his marriage and early popular success In this book informative biographical detail blends with lustrous vignettes from the fiction of one of the greatest writers in twentieth century America offering easy access to over 100 places of interest in Minnesota's capital city The first part of this guidebook tells the story of Fitzgerald in St Paul by describing his connections to 35 significant places in the city from his birthplace to the schools homes and businesses he knew Part two identifies 106 places associated with the city's most famous literary son      *The Cambridge Companion to F. Scott Fitzgerald* Ruth Prigozy, 2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald's career as a literary and public

figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work **Love Disconsoled** Timothy P.

Jackson,1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsoled it neither fears death nor despises life

**Beautiful and Damned"** William Blazek,David W. Ullrich,Kirk Curnutt,2022-10-19 F Scott Fitzgerald's second novel The Beautiful and Damned has frequently been dismissed as an outlier and curiosity in his oeuvre a transitional work from the coming of age plot of This Side of Paradise to the masterful critique of American aspiration in The Great Gatsby The Beautiful and Damned belongs to a genre that is widely misunderstood the bright young things novel in which spoiled and wealthy characters succumb to decay because of their privilege and lack of purpose Set between 1913 and 1922 Fitzgerald's longest novel touches on many of the decisive issues that mark the passage from the Gilded Age and the Progressive Era into the Jazz Age conspicuous consumption income inequality yellow journalism the Great War the rise of the movie industry automobile travel Wall Street stock scams immigration and xenophobia and the fixation with youth and aging Published to coincide with the novel's centennial in 2022 this collection approaches The Beautiful and Damned for its insights more than its faults Prominent Fitzgerald scholars analyze major themes and reveal unappreciated issues with attention to history biography

literary influence gender studies and narratology While acknowledging the novel's shortcomings the essayists illustrate that *The Beautiful and Damned* has much more to say about its milieu than previously recognized This collection provides a guide for understanding Fitzgerald's aims while demonstrating the richness of ideas that this novel explores alongside the anxieties and ambitions that reverberate within it [First Comes Love](#) Shelley Cobb, Neil Ewen, 2015-08-27 With the prominence of one name couples Brangelina Kimye and famous families the Smiths the Beckhams it is becoming increasingly clear that celebrity is no longer an individual pursuit if it ever was Accordingly *First Comes Love* explores celebrity kinship and the phenomenon of the power couple those relationships where two stars come together and where their individual identities as celebrities become inseparable from their status as a famous twosome Taken together the chapters in this volume interrogate the ways these alliances are bound up in wider cultural debates about marriage love intimacy family parenthood sexuality and gender in their particular historical contexts from the 1920s to the present day Interdisciplinary in scope *First Comes Love* seeks to establish how celebrity relationships play particular roles in dramatizing disrupting and reconciling often contradictory ideas about coupledness and kinship formations [An Apprehension of Splendor](#) Shawn Sudia-Skehan, 2025-05-31 At the 2017 gathering of the biannual F Scott Fitzgerald Society meeting in St Paul Minnesota a member of the society Shawn Sudia Skehan was asked to mount an exhibit of approximately 60 rare and never before published photographs of F Scott Fitzgerald Zelda Fitzgerald and their daughter Scottie Sudia Skehan had shared many of the photographs the fruits of her own avocational research with the noted Fitzgerald scholars Jackson R Bryer and Kirk Curnutt who are respectively the president and executive director of the Fitzgerald Society They were astonished by what Sudia Skehan had found a wealth of candid images that seemed to be entirely new to even the most seasoned Fitzgerald scholars and researchers The exhibit was a tremendous success and shortly thereafter both Dr Bryer and Dr Curnutt contacted the Press to suggest that we work with Sudia Skehan on the publication of these newly discovered images The author had in fact discovered almost twice as many as were exhibited at the conference by combing through archives at Princeton University the University of South Carolina libraries Yale University's Beinecke Library the Alabama Department of Archives and History and a number of other institutional repositories A number of the images had been overlooked or buried many others came from the archives of close friends and associates of the Fitzgeralds whose own papers had never been scrutinized specifically for photographs of the Fitzgeralds These are intimate candid and personal photographs from the childhoods of both Scott and Zelda through their teenage years the tumultuous years of their marriage both in the United States and abroad and through their daughter Scottie's birth and emergence into adulthood The original conception of the book was for a simple selection of 80 to 120 photographs accompanied by the author's captions But as the project evolved through multiple drafts and the discovery of many more new and rare photographs along with the clear need for more detailed contextualization to make sense of each image in the larger arc of the Fitzgeralds' lives the project evolved into a

true pictorial biography of the trio The Press now plans to publish a book of approximately 300 photographs Of those 180 have never before been published Most of the others have appeared occasionally but rarely As Jackson Bryer noted in his review of the latest draft she includes almost none of the iconic Fitzgerald photos with which we are all familiar Because the author is neither a credentialed scholar critic or historian but rather a deeply committed avocational student of the Fitzgeralds art and lives Drs Bryer and Curnutt have reviewed and advised Sudia Skehan at each stage of the project s development correcting factual errors in her narrative suggesting additional context for certain images counseling for the inclusion of certain images and against others With their oversight Bryer has agreed to provide a scholarly introduction to the volume the Press feels assured that we will be publishing a pictorial biography of these legendary figures in American letters that will be a revelation to seasoned Fitzgerald scholars and an ideal accessible introduction to any lay reader with an interest in learning more about these rich complex figures and the storied lives they led [Speculative Time](#) Paul Crosthwaite,2024 *Speculative Time* examines how a climate of financial and economic speculation and disaster shaped the literary culture of the United States in the early to mid twentieth century It argues that speculation s risk laden and crisis prone temporalities had major impacts on writing in the period and on important aspects of visual representation *F. Scott Fitzgerald's Short Fiction* Jade Broughton Adams,2018-11-14 F Scott Fitzgerald is remembered primarily as a novelist but he wrote nearly two hundred short stories for popular magazines such as the widely read Saturday Evening Post These are vividly infused with the new popular culture of the early twentieth century from jazz to motion pictures By exploring Fitzgerald s fascination with the intertwined spheres of dance music theatre and film this book demonstrates how Fitzgerald innovatively imported practices from other popular cultural media into his short stories showing how jazz age culture served as more than mere period detail in his work [The Gatsby Affair](#) Kendall Taylor,2018-08-08 The romance between F Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century From the beginning their relationship was a tumultuous one in which the couple s excesses were as widely known as their passion for each other Despite their love both Scott and Zelda engaged in flirtations that threatened to tear the couple apart But none had a more profound impact on the two and on Scott s writing as the liaison between Zelda and a French aviator Edouard Joze Though other biographies have written of Joze as one of Scott s romantic rivals accounts of the pilot s effect on the couple have been superficial at best In *The Gatsby Affair* Scott Zelda and the Betrayal That Shaped an American Classic Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective Drawing on conversations and correspondence with Joze s daughter as well as materials from the Joze family archives Taylor sheds new light on this romantic triangle More than just a casual fling Zelda s tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author s most famous creation Jay Gatsby Were it not for Zelda s affair with the pilot Scott s novel might be less about betrayal and more about lost illusions Exploring the private motives of these public figures Taylor offers

new explanations for their behavior In addition to the love triangle that included Jojo Taylor also delves into an earlier event in Zelda's life a sexual assault she suffered as a teenager one that affected her future relationships Both a literary study and a probing look at an iconic couple's psychological makeup *The Gatsby Affair* offers readers a bold interpretation of how one of America's greatest novels was influenced **F.
