## **Romantic Idea Of A University England And Germany 1770 1850:**

**The Romantic Idea of a University** M. Hofstetter, 2001-03-14 By the late eighteenth century universities in England and Germany had lost their sense of purpose The romantics then presented them with a new one a new Idea of a university In Germany Johann Gottlieb Fichte and others stressed that universities must teach more effectively in England Coleridge and Wordsworth attached to the German Idea a desire to keep the universities part of England s national church Universities and the State in England, 1850-1939 Keith Vernon, 2004-09-16 This book studies the development of the modern university system in England from the mid nineteenth century to the outbreak of the Second World War focusing on the role of the state

*The Romantic Idea of the University* Michael J. Hofstetter, 1991 **Coleridge and Cosmopolitan Intellectualism 1794-1804** Maximiliaan van Woudenberg, 2017-10-16 Viewing Samuel Taylor Coleridge s pursuit of continental intellectualism through the lens of cosmopolitanism Maximiliaan van Woudenberg examines the so called German Mania of the writer in the context of the intellectual history of the university At a time when the confessional model of Oxbridge precluded a liberal education in England van Woudenberg argues Coleridge s pursuit of continental methodologies and networks encountered at the University of G ttingen anticipated the foundation of the modern von Humboldt research university model Founded by the Hanoverian rulers of Great Britain this cosmopolitan institution of knowledge successfully fostered cross cultural interchange between German and British intellectuals during the latter half of the eighteenth century van Woudenberg links the origins of Coleridge s engagement with European intellectualism to his first encounter with the innovations of a Reform university during his studies at the University of G ttingen in 1799 a period that many critics and biographers believe spoiled his poetry Drawing on hitherto unexamined primary records and documents in German *Kurrentschrift* this study shows Coleridge to be a visionary whose cross cultural dissemination of continental intellectualism in England was ahead of its time and presents an intriguing episode in *Cosmopolitan Romanticism* by a major canonical figure Intellect and Character in Victorian England H. S. Jones, 2007-06-07 A major study of a distinguished Victorian intellectual at the epicentre of the revolutions transforming English academic and intellectual life A Christian Approach to Interdisciplinary Studies William Dennison, 2007-05-01 In an academic world that has rejected a Christian ontology metaphysic and epistemology as well as the secular foundationalism of modernity one is hard pressed to find any secular academician in the field of interdisciplinary studies IDS advocating a definitive starting point and methodology for IDS In *A Christian Approach to Interdisciplinary Studies* William D Dennison asks is such a study truly integrative that does not have an ontological integrative starting point and the constitutive component of method To put the question another way without the God of the Bible as the author of integration within creation can there truly be IDS Indeed Dennison calls for the integration of approach and method integration provided and modeled by the triune God of Scripture Adapted from the Preface *William Temple and Church Unity* Edward Loane, 2016-09-29 This book evaluates William Temple s theology and

his pursuit of church unity It exposes a number of paradoxes and conflicts that have generally gone under appreciated in assessments of Temple William Temple was one of the most outstanding leaders of the early ecumenical movement In many ways his ecumenical efforts provided a paradigm others have looked to and followed Through detailed analysis of primary sources this study sheds light on several behind the scenes conflicts Temple experienced as he worked toward church unity Edward Loane explores the foundation of Temple s work by analyzing the philosophy and theology that underpinned and fueled it The book also exposes the tensions between Temple s denominational allegiance and his ecumenical convictions a tension that in some ways undermined his work for reunion This book reveals issues that contemporary Christians need to grapple with as they seek to further church unity [The Oxford Movement and Its Leaders](#) Lawrence N. Crumb,2009-03-20 The Oxford Movement began in the Church of England in 1833 and extended to the rest of the Anglican Communion influencing other denominations as well It was an attempt to remind the church of its divine authority independent of the state and to recall it to its Catholic heritage deriving from the ancient and medieval periods as well as the Caroline Divines of 17th century England The Oxford Movement and Its Leaders is a comprehensive bibliography of books pamphlets chapters in books periodical articles manuscripts microforms and tape recordings dealing with the Movement and its influence on art literature and music as well as theology authors include scholars in these fields as well as the fields of history political science and the natural sciences The first edition of The Oxford Movement and Its Leaders and its supplement contained comprehensive coverage through 1983 and 1990 respectively The Second Edition with over 8 000 citations covering many languages extends coverage through 2001 it also includes many earlier items not previously listed corrections and additions to earlier items and a listing of electronic sources [2001](#) Massimo Mastrogregori,2011-08-02 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **Jewish Intellectuals and the University** M. Britain and Germany from the late eighteenth century to the interwar years Based on the concept of the transnational network in both its informal and institutional dimensions it deals with the transfer of knowledge and ideas in a variety of fields and disciplines Furthermore it examines the role which mutual perceptions and stereotypes played in Anglo German collaboration By placing Anglo German scholarly networks in a wider spatial and temporal context the volume offers new frames of reference which challenge the long standing focus on the antagonism and breakdown of relations before and during the First World War Contributors include Rob Boddice John Davis Peter Hoeres Hilary Howes Gregor Pelger Pascal Schillings Angela Schwarz Tara Windsor History of Universities Mordechai Feingold, 2002-09-12 Volume XVII of History of Universities contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication such an indispensable tool for the historian of higher education Its contributions range widely geographically chronologically and in subject matter The volume is as always a lively combination of original research and invaluable reference material The Death of Scripture and the Rise of Biblical Studies Michael C. Legaspi, 2010-04-19 The Death of Scripture and the Rise of Biblical Studies examines the creation of the academic Bible Beginning with the fragmentation of biblical interpretation in the centuries after the Reformation Michael Legaspi shows how the weakening of scriptural authority in the Western churches altered the role of biblical interpretation Focusing on renowned German scholar Johann David Michaelis 1717-1791 Legaspi explores the ways in which critics reconceived the role of the Bible This book offers a new account of the origins of biblical studies illuminating the relation of the Bible to churchly readers theological interpreters academic critics and people in between It explains why in an age of religious resurgence modern biblical criticism may no longer be in a position to serve as the Bible's disciplinary gatekeeper **Charles Robert Cockerell, Architect in Time** Anne Bordeleau, 2016-04-15 Speed acceleration and rapid change characterize our world and as we design and construct buildings that are to last at least a few decades and sometimes even centuries how can architecture continue to act as an important cultural signifier Focusing on how an important nineteenth century architect addressed the already shifting relation between architecture time and history this book offers insights on issues still relevant today the struggle between imitation and innovation the definition or rejection of aesthetic experience the grounds of architectural judgment who decides and how or fundamentally how to act i.e. build when there is no longer a single grand narrative but a plurality of possible histories Six drawings provide the foundation of an itinerary through Charles Robert Cockerell's conception of architecture and into the depths of drawings and buildings Born in England in 1788 Cockerell sketched as a Grand Tourist he charted architectural history as Royal Academy Professor he drew to build to exhibit to understand the past and to learn from it publishing his last work in 1860 three years before his death Under our scrutiny his drawings become thresholds into the nineteenth century windows into the architect's conception of architecture and time complex documents of past and projected constructions great examples that reveal a kinetic approach to ornamentation and

the depth of architectural representation      A Sea of Languages Suzanne Conklin Akbari, Karla Mallette, 2013-12-06  
 Medieval European literature was once thought to have been isolationist in its nature but recent scholarship has revealed the ways in which Spanish and Italian authors including Cervantes and Marco Polo were influenced by Arabic poetry music and philosophy A Sea of Languages brings together some of the most influential scholars working in Muslim Christian Jewish cultural communications today to discuss the convergence of the literary social and economic histories of the medieval Mediterranean This volume takes as a starting point Mar a Rosa Menocal's groundbreaking work The Arabic Role in Medieval Literary History a major catalyst in the reconsideration of prevailing assumptions regarding the insularity of medieval European literature Reframing ongoing debates within literary studies in dynamic new ways A Sea of Languages will become a critical resource and reference point for a new generation of scholars and students on the intersection of Arabic and European literature      Hegel's Antiquity Will D. Desmond, 2020-07-30 Hegel's Antiquity aims to summarize contextualize and criticize Hegel's understanding and treatment of major aspects of the classical world approaching each of the major areas of his historical thinking in turn politics art religion philosophy and history itself The discussion excerpts relevant details from a range of Hegel's works with an eye both to the ancient sources with which he worked and the contemporary theories German aesthetic theory Romanticism Kantianism Idealism including Hegel's own and emerging historicism which coloured his readings What emerges is that Hegel's interest in both Greek and Roman antiquity was profound and is essential for his philosophy arguably providing the most important components of his vision of world history Hegel is generally understood as a thinker of modernity in various senses but his modernity can only be understood in essential relation to its predecessors and others notably the Greek world and Roman world whose essential spirit he assimilates to his own notion of Geist      *Masculinity, Autocracy and the Russian University, 1804-1863* R. Friedman, 2004-11-30 This is the first book length study of masculinity in Imperial Russia By looking at official and unofficial life at universities across the Russian empire this project offers a picture of the complex processes through which gender ideologies were forged and negotiated in the Nineteenth Century Masculinity Autocracy and the Russian University 1804-1863 demonstrates how gender was critical to political life in a European monarchy      *History of Universities XXXV / 1* Robin Darwall-Smith, Peregrine Horden, 2022-05-26 This special edition of History of Universities Volume XXXV 1 studies and reappraises the often ignored history of eighteenth century Oxford caught as it is between the upheavals of the Stuart century and the reformation of the Victorian era      History of Higher Education Annual Roger L. Geiger, This annual compilation presents four papers on different aspects of the history of higher education in Europe and the United States The first paper is The Rights of Man and the Rites of Youth Fraternity and Riot at Eighteenth Century Harvard by Leon Jackson This paper argues that the lines of division in the student body at eighteenth century Harvard were drawn between two competing understandings of friendship and association prevalent during this period and analyzes social order and disorder

in the college between 1788 and 1794 The second paper is The Era of Multipurpose Colleges in American Higher Education 1850 1890 by Roger L Geiger This paper focuses on small multipurpose colleges and the demographic and economic factors which encourages both their rise and eventual decline from 1850 to 1890 The third paper is titled A Curious Working of Cross Purposes in the Founding of the University of Chicago by Willard J Pugh It reviews the founding negotiations among various groups wishing to found a first class Baptist university the roles of such individuals as John D Rockefeller and William Rainey Harper and the institution s early commitment to research The fourth paper is Patterns of Access to the Modern European Universities The Social Origins of Students by Fritz Ringer This paper critiques the assumption that expanded enrollment since the early nineteenth century was a reflection of democratization and provides data from Germany France England and Scotland to support a two stage process of expanded schooling in which little increased access to the most favored occupations results Also provided is a review essay by W Bruce Leslie The Academic Revolution Across Three Cultures An annotated list of recent dissertations in the field is included Each of the four major papers contains extensive reference notes DB
