Rome Under The Emperors:

A History of Rome under the Emperors Theodor Mommsen, 2005-11-03 This book caused a sensation when it was published in Germany in 1992 and was front page news in many newspapers For readers of English it will be an authoritative survey of four centuries of Roman history and a unique window on the German tradition of the last century Theodor Mommsen d 1903 was one of the greatest Roman historians of the nineteenth century and the only one ever to be awarded the Nobel Prize for Literature His fame rests on his History of Rome as well as his work on Roman law and on the Roman provinces But the work that would have concluded his history of Rome which ran to the reign of Augustus was never completed This book represents that great lost work In 1980 Alexander Demandt discovered in an antiquarian bookshop a full and detailed handwritten transcript of the lectures on the Roman Empire which Mommsen gave for many years from 1863 to 1886 made by two of his students This transcript has been edited to provide the authoritative reconstruction of the book Mommsen never wrote *A History of Rome Under the Emperors* Barbara and Alexander Demandt have carefully edited the text and provided detailed annotation and explanatory references For the English edition Professor Thomas Wiedemann has written an introduction which surveys Mommsen s position and influence in nineteenth century German scholarship and introduces his work for English speaking readers **A History of Rome Under the Emperors** Theodor

Mommsen, 2005-11-03 A full and detailed transcript of Mommsen s famous lectures made by two of his students has been edited to provide an authoritative reconstruction Includes detailed notes and references and an introduction by Thomas Wiedemann *History of Rome Under the Emperors* Charles Merivale, 1843 *Rome Under the Emperors* Eilís Dillon, 1975 Depicts the daily life of four families in Imperial Rome those of a senator businessman farmer and stallholder *A History of Rome Under the Emperors* Theodor Mommsen, 1996 **The Emperor and Rome** Björn C. Ewald, Carlos F. Noreña, Yale University. Department of Classics, 2010-12-02 This book explores ancient Rome under the impact of monarchy and as one of the structures which shaped the monarchy itself **Ancient Rome's Worst Emperors** L. J. Trafford, 2025-08-05 Who qualifies as the worst of Roman emperors and why Join L J Trafford for a tour of the very worst leadership in ancient Rome featuring Caligula Commodus and many more Between 27 BCE and 476 CE a series of men became Roman Emperor ruling a domain that stretched across Europe North Africa and the Near East Some of them did this rather well expanding Rome s territories further installing just laws and maintaining order within the city Others however were distinctly less successful at the job Ancient Rome s Worst Emperors takes an engaging and amusing look at the mad the bad and the catastrophically incompetent of Rome s rulers From the sadistically cruel Caligula to the hopelessly weak Valentinian II there were many who failed dismally at the top job for a variety of reasons But what qualifies someone as a worst emperor What evidence is there to support it And should we believe any of it Join us on a tour of the very worst leadership ancient Rome has to offer as we delve into sadistic acts of cruelty paranoia run rampant poor decision making skills and the danger of being the wrong man

at the wrong time Representing Rome's Emperors Caillan Davenport, Shushma Malik, 2024 *Representing Rome's Emperors* brings together an international team of experts to examine the literary and artistic representations of Roman emperors across more than two thousand years of history breaking down traditional disciplinary boundaries that have separated the study of emperors in antiquity from their representation in later periods *Italy Through the Stereoscope* Daniel James Ellison, 1908 *History of Byzantine Emperors* Alexey Mikhailovich Velichko, 2021-05-12 Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> A five volume composition by A M Velichko *History of the Byzantine Emperors* reveals the events of the reign of all monarchical dynasties of the Holy Roman Byzantine Empire from St Constantine the Great before the fall of Constantinople in 1453 This is the first comprehensive study in which historical events from the political life of the Byzantine state are depicted in their organic relationship with the life of the ancient Church and the personality of specific kings The work describes in detail and in detail the most interesting vicissitudes of the history of the Byzantine state including in terms of interchurch relations between Rome and Constantinople Numerous events of the times of the Ecumenical Councils are cited the role and forms of participation of emperors in the activities of the Catholic Church are revealed The work is supplied with portraits of all the emperors of the Byzantine Empire maps and extensive reference material For all those interested in the history of Byzantium the Church law and politics as well as students of law and history faculties This volume covers the era from Constantine the Great to Anastasius I By the example of Byzantium as reincarnated in Christ and through Christ of the pagan Roman Empire the Lord revealed such an ideal that would be able to overshadow the pagan Roman analogue striking in its appearance the minds of his contemporaries Christ gave not only the ideal of personal faith on the example of the exploits of the first martyrs ascetics and saints He bestowed by man himself such an ideal naturally could neither be conceived nor created to us a political sometimes they say social ideal as a special political and legal type of state system in which the goals and objectives of the earthly Church organically become the alpha and omega public policy In other words the Savior indicated under what state structure the most favorable conditions for the capture of men and the regeneration of the old man into the son of God are formed for the Church The practical embodiment of the Kingdom of God on earth in the person of the Empire is the quintessence of Byzantinism the meaning of life and existence of Byzantium as the first Orthodox state Hence as a result all other legal and social structures are generated that create a stable political legal and cultural image of an ideal state The main idea of the political and legal system of the Roman Byzantine Empire was the imposition of the law of the Church on the state the well known identification of the tasks of the Church and the state and the churching of man The Church in Byzantium just aspired to express itself in the state to make its law the law of the state For Byzantium the existence in a state with civil and political rights of such persons to whom the law of the Church did not apply and for whom

non observance of church law was not combined with civil and political lawlessness was a complete absurdity an unthinkable situation *Manual of Ancient Geography and History* Wilhelm Pütz,1849 **Guizot's Gibbon** Edward Gibbon,1859
