Night Shift Robin Cook,2023-09-26 In this exhilarating new medical mystery thriller by Robin Cook fan favorites Jack and Laurie are lured into the dark underbelly of hospital dangers when an internist is murdered Colleagues turned spouses Dr Laurie Montgomery and Dr Jack Stapleton already have their plates full between demanding forensic pathology work and family pressures The last thing they need is the sudden death of a colleague Yet when Laurie s apparently vital and healthy longtime friend Dr Sue Passero dies mysteriously in the hospital parking garage an autopsy is required and it falls

uncomfortably under Laurie's purview as the chief medical examiner. So when Laurie asks Jack to take special care with the case, he can hardly refuse. With his curiosity sparked by an inconclusive autopsy, the indefatigable Jack is compelled to resolve the case at hand and sets out to investigate on site at Manhattan Memorial Hospital, even though it means blatantly defying the Office of Chief Medical Examiner's rules. What started out as an inquiry into Sue's tragic passing soon turns into a deadly and dangerous chess game between Jack and the clever and deranged killer who might just administer another lethal blow if Jack isn't careful.

Downhill Disaster Barbara Barrett, 2025-03-26 Just as former TV PI Marla Dane is gearing up for her big return to acting, Cathie Rollins slams on the brakes figuratively speaking. The daughter of ex-cop Rex Alcorn, Marla's partner in crime solving, Cathie is convinced the fatal crash during her bike club's ride wasn't an accident. And she wants her dad and Marla to investigate, even if the cops don't. Thanks to Cathie's relentless pedaling, the police take a second lap around the evidence and realize she's right: someone engineered the death of the victim, a candy company CEO. Short-staffed, the police chief coasts straight to Marla and Rex, asking them to question the witnesses to the victim's fatal downhill plunge. It turns out the CEO has run over quite a few people on his road to potential ruin: from disgruntled employees to his ex-wife to the bike club's safety specialist. But who had the know-how to send him flying? Marla and Rex shift gears through a tangle of conflicting clues, but as they race toward the truth, they might just find themselves careening toward danger.

Mixed-Occupancy Housing in London James Rosbrook-Thompson, Gary Armstrong, 2018-03-30 This ethnographic study of a mixed occupancy housing estate near the centre of London refocuses the scholarly conversation around social housing in the UK after the 1980 Housing Act. As well as examining the long-term consequences of Right to Buy, such as shortages in local authority stock and neighbourhood gentrification, James Rosbrook-Thompson and Gary Armstrong investigate the changes wrought on the social fabric of the individual estate. Drawing on four years of ethnographic fieldwork, the authors explore the estate's social mix and more specifically the consequences of owner-occupiers, council tenants, and private renters sharing a cramped inner-city neighbourhood. *Mixed Occupancy Housing in London: A Living Tapestry* humanizes the academic discussion of class, race, and gender in social housing through the occupants' tales of getting by, getting along, and getting out.

That Sleep of Death Richard King, 2002-05 When bookstore owner Sam Wiseman finds the body of a professor he is implicated in the murder and must discover the real killer to clear his name.

Stolen Shroud Daniel Westlund, 2020-02-24 His faith was in tatters. And after being so close, Professor Mark Eberhart was set to carbon-date the Shroud of Turin. He was going to finally find out if this relic was real and if it could revive his dwindling Christian faith. But the Shroud was stolen right in front of him by thieves who possessed superhuman powers. But that's not the reason for Mark's sudden crisis of faith. As he and journalist Cora Byron attempted to

recover the Shroud he learned the disturbing news At the same time he was scheduled to test the Shroud other scientists were running DNA tests on the supposed lost bones of Jesus tests which proved that these were in fact the real bones of Christ And that the Resurrection never happened Rodents Get Along Celestine Hunter,2011-04-08
