Room Of Rumor Tunings:

Room of Rumor Oswald Egger, 2004 These poems are partly based on texts Egger wrote while a fellow at the Villa Aurora in Los Angeles The original was published by the German publisher Suhrkamp Verlag in 2001 Translator and composer Michael Pisaro collaborated with Egger to create a new English text for this bi lingual edition laid out in parallel construction as lineated poetry above and prose below *The Night Begins with a Question* Iain Galbraith, 2007 A varied anthology this book documents the development of Austrian poetry from the 1970s to the present day Translated by Scottish poets in the context and the company of some of their Austrian contemporaries each poem seeks its own often volatile space and categories like British Scottish or Austrian are too narrow to frame the imaginative reach of a single authentic poem While these poems are authentically Austrian they are permeated by the greater world and penned by recognized poets including Rainer Maria Rilke Paul Celan Friederike Mayrcker and Evelyn Schlag **Shadowtime** Charles Bernstein, Brian Ferneyhough, 2005 Shadowtime is a thought opera based on the work and life of the German philosopher essayist and cultural critic Walter Benjamin The libretto was written by Bernstein for composer Brian Ferneyhough and was premiered at the Munich Biennale In its seven scenes Shadowtime explores some of the major themes of Benjamin's work including the intertwined natures of history time transience language and melancholy Beginning on the last evening of Benjamin's life Shadowtime projects an alternate course for what happened that fateful night *The Belly of Paris* Émile Zola, 2006 One of Zola's most wonderfully descriptive and least known titles The locale is the newly built food markets of Paris Into this extravagance of food which Zola describes in set pieces that wet the tongue stir the belly excite the ear he places his young hero half starved Florent who has just escaped imprisonment in Cayenne Florent finds himself at odds with a world he now knows is unjust Gradually he takes up with the local Socialists who are more at home in bars than on the revolutionary streets *White Magic and Other Poems* Krzysztof Kamil Baczyński, 2005 One of the greatest Polish poets of the 20th century Baczynski was born in Warsaw in 1921 In the early war years he wrote copiously and studied Polish literature in the underground university where he met Barbara Drapczynska whom he married in 1942 The beautiful love poems he wrote to Barbara make up an important part of his writings In 1943 he joined the Armia Krajowa Home Army of the Polish resistance In August 1944 Baczynski was killed in action His mother preserved his manuscripts and in 1961 they were published for the first time *My Year* 2004 Douglas Messerli, 2008 The third volume in Messerli's ongoing cultural memoirs beginning in the year 2000 considers all things under the skin readings events and memories that have defined him as a person In his ongoing attempt to write about a life defined by cultural experiences Messerli delves deep into the cultural events both popular and literary he was witness to during his lifetime **Poetry, Etcetera** Jacques Roubaud, 2006 What is poetry today and how does it fit into our lives Jacques Roubaud the great French poet and fiction writer explores these questions in a series of intelligent personal and often humorous essays Translated from the original French by Guy Bennett the work is

Extrastatecraft Keller Easterling, 2014-11-04 Extrastatecraft is the operating system of the modern world the skyline of Dubai the subterranean pipes and cables sustaining urban life free trade zones the standardized dimensions of credit cards and hyper consumerist shopping malls It is all this and more Infrastructure sets the invisible rules that govern the spaces of our everyday lives making the city the key site of power and resistance in the twenty first century Keller Easterling reveals the nexus of emerging governmental and corporate forces buried within the concrete and fiber optics of our modern habitat Extrastatecraft will change how we think about cities and perhaps how we live in them

Metropolis Vienna Peter Rosei, 2009 Originally published in 2005 Metropolis Vienna like Heimito von Doderer s great novel The Demons Sun Moon Books 1993 before it follows several individuals in Vienna as their stories interlink with each other But unlike von Doderer s work which focuses on the events leading up to WWII Rosei s novel concerns the beautiful Austrian city in the second half of the 20th century A profound and moving novel that introduces one of the great Austrian writers to an English speaking audience

Antonello's Lion Steve Katz, 2005 In his first novel since

Swanny's Ways Steve Katz takes another look at the failure of Humanism in the West through the lens of the great Sicilian master Antonello da Messina A father and son who have never met both set out on quests for meaning in their lives The father is obsessed with Antonello and convinced he can find what he thinks is a lost painting of St Francis He gets lost on the way and disappears The son becomes obsessed with finding out what happened to the father and his discoveries are more than he can absorb This is a double picaresque that takes turns through fantasy sexual follies and wild historical and philosophical speculations The frail positionings of order in art are played against the background of contemporary chaos

A Transparent Lion Attila József, 2006 Regarded by many as Hungary's greatest 20th century poet József was born in Budapest in 1905 and died after apparently throwing himself under a train in December of 1937 Writing in intense emotional tones that swung between despair and hope József invigorated old poetic forms with a new freedom orchestrating his poems with fresh rhythmic patterns influenced by folk music's rhythms as well as their metrics But József was also influenced by Dadaist and other modernist ideas finding a voice that would synthesise the older cultural forms with the newer experiments

Day Ocean State of Stars' Night Leslie Scalapino, 2007 A major new collection of poetry by Leslie Scalapino

Sebastien, Your Son Claire Deuze, 2006 French writer Claire Deuze details the terrible sufferings of her best friend during the course of the tragic death of her son by cancer The loving distance of friendship allows for an intense description of events which would be impossible to bear perhaps if described by the mother of the dying child As it is the pains and joys of a close group of friends as they live through their friend's painful experiences are expressed beautifully in this loving tribute to the son Sebastien and the possibilities and limitations of friendship **Listen to the Mockingbird** Douglas Messerli, 2005 In this important new collection editor Douglas Messerli has collected 78 lyrics of American folksongs and popular music from the 19th century Some of these songs are beautiful but the vast majority especially the minstrel songs and the Civil War ballads are often perverse in their racial humour and sexual undertones From the patriotically conceived America of 1832 to the rebelliously insistent I'll Marry the Man I Love of 1897 the songs in this volume reveal the vast range of the American people and their ways of living
