Sent from God David Haxton Carswell Read,1974      **Preacher** David H. C. Read,2017-06-21 This book introduces David H C Read to a new generation through sermons that are not merely elegantly worded and biblically grounded but packed with life experience that included a five year stint as a prisoner of war during World War II From amongst the almost 1500 sermons that Read preached during his ministry in Manhattan John McTavish has selected forty enduring messages that show David Read justifying Time magazine s assessment that Read is not merely elegant and literary his words carry authority through his thought runs a strain of deep feeling and faith capable of convincing others      Respecting Congregations Clyde Ervine,2025-05-22 Across North America congregations and their leaders are experiencing unprecedented anxiety Despite the many organizational and growth strategies offered to congregational leaders over the last five decades few congregations are growing and most are coping with numerical decline With fewer people attending worship and fewer students offering themselves for ordination at least in mainline denominations many Christians worry that the church across the continent is in the process of dying While Ervine s book may not offer swift solutions it does offer hope Fearful congregations and their leaders are invited to set the search for quick fix solutions aside and instead take the time to discover and then respect the identity purpose and ministry priorities that the New Testament provides to congregations This book is written in the conviction that clarity about their in Christ identity their purpose in God s ongoing mission and what is essential to their ministry will give congregations new confidence to offer Christian witness rooted in biblical teaching while respecting twenty first century cultural realities      *Homiletical Handbook* Donald L.
