The Sent Ones Paul W. Kopp, 1991-07-01 **Abide and Go** Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God s children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis **The Encourager** Juliet Binitie, 2012-09-15 The Encourager is a ONE YEAR timeless daily devotional designed to enable women of all ages reach their spiritual growth goal in their Christian Faith based on the New Testament It is designed to encourage enable and empower the woman to achieve a level of spiritual understanding and to know God more You will be led into a world of encouraging words that will challenge you and show you that even as a woman you can truly be like God The ENCOURAGER will reveal to you how the world is waiting for your manifestation and influence in our world In this daily reading of the scriptures and the text THE ENCOURAGER will help you grow in wisdom and grace to achieve your maximum capacity THE ENCOURAGER is an exciting tool that lead you to a height of revelation of who God is and who you are in Him Many have read it and have come back with a positive result It is a devotional that will help you face the challenges of the 21st century Metrospiritual Sean Benesh, 2011-02-24 Metrospiritual The Geography of Church Planting is about church planting in the city There is an outpouring of new expressions of church being started throughout metro areas across North America Where are these new churches being started Maybe a more subterranean question is Why Why are churches being started where they are and why is there is a bias towards one part of the city and an overall neglect of other parts Metrospiritual explores these questions and more as it builds off of recent research and surveys of hundreds of church planters in seven large cities in the United States and Canada There is a deeper look at pivotal issues such as gentrification the Creative Class community transformation urban renewal and the role new churches play in all of these Twelve Ordinary Men John F. MacArthur, 2006-05-08 Discover how God used ordinary men Jesus s twelve chosen disciples to change the world and how He can accomplish the same thing through you You don t have to be perfect to do God s work Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament Join bestselling author John MacArthur in Twelve Ordinary Men as he draws principles from Christ s careful hands on training of the original disciples for today s modern disciple you Jesus chose ordinary men fishermen tax collectors political zealots and turned their weakness into strength producing greatness from people who were otherwise unremarkable The

twelve disciples weren't the stained glass saints we imagine. On the contrary, they were truly human, all too prone to mistakes, misstatements, wrong attitudes, lapses of faith, and bitter failure. Simply put, they were flawed people just like us. But under Jesus' teaching and touch, they became a force that forever changed the world. MacArthur takes you into the inner circle of the disciples, their selection, their training, their personalities, and their incredible impact. As MacArthur took a closer look at the lives of the twelve disciples, he found himself asking difficult questions along the way, including: Why did Jesus pick each of the twelve disciples? How did Jesus teach them everything he could in just eighteen short months? Can the lessons that Jesus taught the disciples still influence our faith today? In *Twelve Ordinary Men*, you'll learn that disciples are living proof that God's strength is made perfect in weakness. As you get to know the men who walked with Jesus, you'll see that if he can accomplish his purposes through them, he can do the same through you.

Key's Daughter Rick Copper, 2014-12-20 Can you run far enough away to escape your past? Reid Brantley should be at this time in his life settled. He's proprietor and co-owner of Linner, a lunch/early dinner establishment in the center of Key West on Duval Street. He has a nice house in Key West just off the Atlantic Ocean and a wonderful wife, Gretchen Malloy. She's the owner of Tiki Lounge, co-owner of the adjacent Linner, and an excellent mother to their child, Meghan, and his daughter from his first marriage, Gerty. As he creates a Key Lime pie from scratch for Gerty's birthday, he's grilled by two FBI agents about his St. Louis past, his ex-wife, and her family. He's bent on revenge, and a charred, severed right hand is found in a fire's debris at Gretchen's Tiki Lounge after Tropical Storm Ernesto.

From Seed to Fruit (Revised and Enlarged Second Edition) J. Dudley Woodberry, 2008-06-01 The revised and enlarged second edition of J. Dudley Woodberry's *From Seed to Fruit* expands on the next stage of the ongoing collaborative research and reflections of many people from many organizations desiring to bless Muslims. Seven additional chapters survey major trends in global Islam today and explore themes that prove to have considerable influence on fruitfulness, including a new chapter on building Christlike relationships with Muslims. The Global Trends Research Group has continued to update the demographic materials on Muslim people groups, their access to Christian witness, and when and how Christian groups covenant to provide meaningful access. *From Seed to Fruit* presents the most recent worldwide research on witness to Christ among Muslim peoples, using biblical images from nature to show the interaction between God's activity and human responsibility in blessing these peoples.

The Repentance of YHWH Sonya Shetty Cronin,2025-07-01

The Repentance of YHWH is not an attempt to recover the historical Jesus by looking through Mark's textual window even if the things the real Jesus said and did could have inspired such a gospel Nor is it a book on Christian origins mining Mark for information about what the earliest followers of Jesus believed about Jesus even though it inadvertently does make claims about such Repentance is not an exercise to prove early high Christology though it does make that claim as well all while giving a richer profile about how Mark imagines Jesus as YHWH's messiah The Repentance of YHWH is not a book about Mark's narrative architecture though it does throw light on how Mark goes about telling his story as well as the underlying story that informs his Gospel It does not simply examine the way that Mark uses the Old Testament Greek and Hebrew through citation explicit footnote to a specific text allusion implicit nod to a specific text or echo implicit nod to a passage Repentance tracks the way Mark mixes multiple stories simultaneously and constantly Repentance has taken its cues from Mark showing rather than telling highlighting the currents of movement and demonstrating how Mark melds old with new to open up a new world In the end Repentance exposes the narrative fusion throughout Mark's Gospel to reveal that for Mark at least the story of Jesus and his followers is really still the story of YHWH and YHWH's Israel
