September 11th and the Return of Christ Jamal Tayh, 2002-01-01      **The September-11 Code** William

Downie, 2012-05-25 This book is too religious for New Agers too occult for Christians too numerical for spiritual seekers too mystical for scientific types was written by a nobody is addressed to everybody and makes the most outrageous series of statements ever claimed as facts So read it anyway and have your understanding of the world blown apart The September 11 Code is two things Firstly it is a chronicle of one man s dramatic spiritual awakening and the education he subsequently received from angelic tutors Secondly it is a concise summary of the alphanumeric code he was trained to find and the devastating revelations it contains The code is found within the NIV Bible 2001 Edition popular culture and two world impacting events the terrorist attacks of September the 11th 2001 and the funeral of Pope John Paul II in 2005 It insists that 9 11 the first major event witnessed in real time by the entire world was nothing less than a staged drama depicting several biblical tableaux and containing the most electrifying news of all time The book goes on to present further devastating revelations about Karol Jozef Wojtyla and Osama bin Laden It ends with a message to us all from Jesus Christ      Talking

W. Murphy,2014-10-10 Imagine what your Christian development would be like if you grasped the true character of God you were captivated by appreciation of and love for God s Word you were not frightened away by the haunted house of Revelation you appreciated how the early church s experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus sacrifice is pictured in

Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self serving style of society you enjoyed the blessings of those who keep the words of Revelation s message your anticipation of Jesus return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us American Christians and Islam Thomas S. Kidd,2018-06-05 In the wake of the September 11 terrorist attacks many of America s Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world s Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today s evangelicals have deep roots in American history Tracing Islam s role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation s founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America s immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals unwillingness to acknowledge Islam s theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world American Christians and Islam is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today *2017-2047: Divine Clones of Transparency* Michael Inuit,2019-05-28 DIVINE COSMOS SERIES This is the sequel to volume 1 MATRIX and WITNESS are now in the 8th Heaven They are in the Nowhere Everywhere Place from where we all come from For we are all Clones of God Cells of the SUPREME BEING Universe As well as we are the gods of the Universe of our cells In 2012 the Earth Magnetic Field started to split allowing 2 worlds 3 D then they were raptured to the 8 D World There are many Densities Dimensions of Divine Consciousness in this Cosmos You will see in this volume 2 that the 3 D and 4 D worlds are coexisting on Earth You will see that at the scale of the Universe only the Fantastic has a chance to be true Under the Bed of Heaven Richard W. McCarty,2021-12-01 Under the Bed of Heaven is a work of Christian ethics that examines how eschatology might reshape concepts of sexual morality With the rise of institutional Christianity in the Roman Empire Christian attitudes about sexual desire and activity were soon controlled by

doctrines of virginity and celibacy or monogamous marriage for the sake of procreation These moral theologies aligned with a certain track of Christian eschatology which imagined the future resurrection of the body but without any corresponding sexual desires As a result traditional Christianity developed a preference for celibacy on earth to match the loss of sexual desire and activity in heaven making marriage and monogamy temporal goods only In recent years a few scholars of religion have challenged whether this vision of a sexless heaven is valid However they have not fully developed a vision of sex in heaven that might function to critique and reform Christian sexual ethics on earth Richard W McCarty explores scripture church teachings and different models of eschatology to offer a bold new conception of Christian sexual ethics that is inclusive of LGBTQ and heterosexual people both in and outside of monogamous configurations *Good Morning, Lord . . .
