*September's energy is all about balance. Mabon, the second harvest festival of the year and the Autumnal Equinox, arrives later this month, bringing equal hours of day and night. You should be actively reaping the fruit of most of the seeds you sowed back in Spring and preparing for the final harvest next month. As you welcome and rejoice in your abundance, it's also a great time to begin to clear out clutter – emotional, spiritual, and physical – to get ready for the dark time of the year.*
