Allen Jr.,2014-03-03 Roman Catholicism stands at a crossroads a classic best of times worst of times moment On the one hand the Catholic Church remains by far the largest branch of the worldwide Christian family and is growing at a remarkable clip Yet the Church has also been rocked by a series of scandals related to the sexual abuse of minors by clergy and even more devastating the cover up by the Church hierarchy The decade long crisis has taken a massive financial toll but the blow to both the internal morale and the external moral standing of the Church has been even steeper Today the Church has enormous residual strength and exciting future prospects but also faces steep internal and external challenges The question of whither Catholicism is of vital public relevance for believers and non believers alike In The Catholic Church What Everyone Needs to Know John L Allen Jr one of the world s leading authorities on the Vatican offers an authoritative and accessible guide to the past present and future of the Church This updated edition includes a new chapter on the resignation of Pope Benedict XVI the election of Pope Francis and his extraordinary tenure thus far **Cape Verde** Murray Stewart,Aisling Irwin,Colum Wilson,2017-06-05 This new 7th edition of Bradt s Cape Verde Cabo Verde has been fully revised and updated and remains the most comprehensive English language guidebook available to the islands of this alluring Atlantic archipelago described by some as Africa light The guide includes well researched history and cultural sections with a particularly strong section on music and brings an honest approach to reporting the fragile balance between tourist development and protecting the environment This new edition reflects the many changes since the previous one including the introduction of charter flights from the UK to Sal and the first casino hotel on Sal as well as providing full information on how to make the most of the less developed islands away from the main tourist hotspots Stable and peaceful quietly isolated by its mid Atlantic location Cape Verde continues to grow economically and to develop its tourist infrastructure at a leisurely pace With few natural resources the islands are heavily dependent on imports foreign remittances and still to some extent on foreign aid The reduction in the latter has heightened the focus on the importance of tourism as an economic driver and visitor numbers continue to rise Year round sunshine makes Cape Verde a particularly

appealing destination The archipelago is diverse particularly in terms of its tourist infrastructure Sal and Boavista the oldest of these volcanic islands are flat with white sand beaches that rival anything in the world Consequently they attract 95% of Cape Verde s visitors leaving the other seven inhabited islands undeveloped Hikers and those curious to discover something authentic are drawn to them spending their time walking amongst the jaw dropping mountainous landscapes of Fogo or Santo Ant o taking some true time out in tiny Brava or mellow Maio or enjoying the cultural fusion of African Portuguese and Brazilian influences in the cities of Praia and Mindelo The adventurous will find adrenalin rushing as they profit from windsurfing and kitesurfing opportunities fuelled by strong breezes and Atlantic waves while for culture Mindelo is the attraction with a constant backdrop of seductive music the thread which ties together the islands scattered across the mid Atlantic [Catalog of Copyright Entries.
