Rock's Combat Tales* Robert Kanigher, 2005 Stories of war and fighting men featuring the legendary Sgt Rock of Easy Company on cover **SGT. Rock's Combat Tales Volume 1** Robert Kanigher, 2005 **Icons of the American Comic Book** Randy Duncan, Matthew J. Smith, 2013-01-29 This book explores how the heroes and villains of popular comic books and the creators of these icons of our culture reflect the American experience out of which they sprang and how they have achieved relevance by adapting to and perhaps influencing the evolving American character Multiple generations have thrilled to the exploits of the heroes and villains of American comic books These imaginary characters permeate our culture even Americans who have never read a comic book grasp what the most well known examples represent But these comic book characters and their creators do more than simply thrill they make us consider who we are and who we aspire to be *Icons of the American Comic Book* From Captain America to Wonder Woman contains 100 entries that provide historical background explore the impact of the comic book character on American culture and summarize what is iconic about the subject of the entry Each entry also lists essential works suggests further readings and contains at least one sidebar that provides entertaining and often quirky insight not covered in the main entry This two volume work examines fascinating subjects such as how the superhero concept embodied the essence of American culture in the 1930s and the ways in which comic book icons have evolved to reflect changing circumstances values and attitudes regarding cultural diversity The book's coverage extends beyond just characters as it also includes entries devoted to creators publishers titles and even comic book related phenomena that have

had enduring significance 1996 Comic Book Index Johnny Lauck, John R. G. Barrett, 1996 **Obituaries in the Performing Arts, 2018** Harris M. Lentz III, 2019-06-17 The entertainment world lost many notable talents in 2018 including movie icon Burt Reynolds Queen of Soul Aretha Franklin celebrity chef and food critic Anthony Bourdain bestselling novelist Anita Shreve and influential Chicago blues artist Otis Rush Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2018 are included Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers *Ka-Zar Vol. 3 Masterworks* Gerry Conway, 2023-01-18 Collects Ka Zar 1974 6 9 and material from Savage Tales 1971 5 11 The Marvel Masterworks series unveils more gems from the Hidden Jungle with a third volume devoted to Ka Zar and that lovable little furball Zabú The creative team of Gerry Conway and John Buscema turn out top notch jungle action with a run of stories in their run from the full color Ka Zar comic Zabú is taken captive by the evil priest Sandratha to be used as a sacrifice for an ancient ritual Ka Zar also takes on the beast god of the lost river and a dinosaur hunter Plus You haven't seen Ka Zar until you've seen him in John Buscema's lushly illustrated never before reprinted adventures from Savage Tales Also featuring team up tales co starring Shanna the She Devil and two Shanna solo stories

U-X-L Graphic Novelists Tom Pendergast, Sara Pendergast, 2007 Contains articles that profile twenty four authors writing teams and illustrators of graphic novels arranged alphabetically from Masashi Kishimoto to Alex Ross and includes sidebars photographs and illustrations *The Slings & Arrows Comic Guide* Frank Plowright, 2003 Reviews and analyses of over 5000 titles from the 1930s to date Every comic of note from the past fifty years is included in this comprehensive guide to American comics From the underground to children's comics autobiography to fantasy Comics through Time M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to

American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers *The Lonely War of Capt. Willy Schultz* Will Franz, 2023-02-28 Finally collected by IT S ALIVE and co published with Dark Horse The Lonely War of Capt Willy Schultz was originally serialized in the comic book Fightin Army in the 1960s An American soldier of German heritage finds himself on the wrong side of World War II in this sweeping epic This war story is at its heart an anti war story and a story about universal human nature in the hellhole of war Also includes a new final chapter drawn by Wayne Vansant and a new historical essay by Stephen R Bissette about the series This series was written by a sixteen year old Will Franz and illustrated by the already seasoned comic book creator and WWII veteran Sam Glanzman The entire story arc collected here and finally finished is one of the most dramatic moving and controversial comic book stories ever told Comics and Conflict Cord A Scott, 2014-09-15 Illustration has been an integral part of human history Particularly before the advent of media such as photography film television and now the Internet illustrations in all their variety had been the primary visual way to convey history The comic book which emerged in its modern form in the 1930s was another form of visual entertainment that gave readers especially children a form of escape As World War II began however comic books became a part of propaganda as well providing information and education for both children and adults This book looks at how specific comic books of the war genre have been used to display patriotism adventure through war stories and eventually to tell of the horrors of combat from World War II through the current conflicts in Iraq and Afghanistan in the first decade of the twenty first century This book also examines how war and patriotically themed comics evolved from soldier drawn reflections of society eventually developing along with the broader comic book medium into a mirror of American society during times of conflict These comic books generally reflected patriotic fervor but sometimes they advanced a specific cause As war comic books evolved along with American society many also served as a form of protest against United States foreign and military policy During the country's most recent wars however patriotism has made a comeback at the same time that the grim realities of combat are depicted more realistically than ever before The focus of the book is not only on the development of the comic book medium but also as a bell weather of society at the same time How did they approach the news of the war Were people in favor or against the fighting Did the writers of comics promote a perception of combat or did they try to convey the horrors of war All of these questions were important to the research and serve as a focal point for what has been researched only in limited form previously The conclusions of the book show that comic books are more than mere forms of entertainment Comic books were also a way of political protest against war or what the writers felt were wider examples of governmental abuse In the post 9 11 era the comic books have returned to their propagandistic patriotic roots *Comic Book Artists* Alex G. Malloy, 1993 Profiles of 150 major illustrators with listings and values for their comics **The Academy and Literature**, 1904 The Overstreet Comic Book Price Guide Robert M.
