Davis, 2013-05-05 For most of us one of the most rewarding yet difficult tasks is preparing messages to preach and teach We are honored by God to stand before our congregation each week and we want to give them the very best but with the press of the many demands of ministry sometimes that is difficult to do And if you're like me you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written In other words no one knows your people like you do Our new Pulpit Outline Series gives you a starting point a sermon title a deductive sermon
