Servant Leadership A Journey Into The Nature Of Legitimate Power And Greatness:

Servant Leadership Robert K. Greenleaf, 2002 This highly influential book is filled with prophetic essays on what Greenleaf coined autocratic leadership with a holistic approach *Servant leadership*, 1991 Servant Leadership Robert K. Greenleaf, 1977-01-01 This book explores the role of spirituality in leadership It declares that spirituality is a part of the nature of legitimate power and greatness *Servant Leadership 25th Anniv* Robert K. Greenleaf, 2002 *Servant Leadership* Dirk van Dierendonck, Kathleen Patterson, 2010-10-13 Servant leadership may be the answer to the current demand for a more ethical people centred leadership where humility servitude and contribution are key elements The purpose of this book is to provide an overview of current thinking and empirical research of the determinants underlying processes and consequences of servant leadership Servant Leadership: Research and Practice Selladurai, Raj, Carraher, Shawn, 2014-03-31 Leaders represent a necessary part of any organizational structure and leadership styles can vary greatly between individuals Servant leadership is one such leadership style which is helping individuals guide and encourage others within their organization Servant Leadership Research and Practice explores the concept of rethinking the leader subordinate relationship structure through the dissolution of an authoritarian leadership style This book supports current and future leaders through relevant discussions on methodologies and tools in support of servant leadership and is designed for use by business managers executives scholars and upper level students **The Nature of Biblical Followership, Volume 1** Kathleen Patterson, Bruce E. Winston, 2023-09-01 From a Biblical perspective followership is an important aspect of leadership and is exemplified in the lives of numerous individuals in the Bible These examples offer valuable guidance for how followership can be applied in modern organizations Divided into three parts this volume explores the definition and impact of followership on leadership examining its interdependence with servant leadership as well as the positive and negative aspects of the relationship between followers and leaders The book also delves into how followers share power in the workplace and the characteristics and behaviors of followers Overall this work contributes to the emerging field of followership in organizational leadership research with a particular emphasis on the Biblical perspective but also relevant to broader leadership studies Cases on Servant Leadership and Equity Thomas, Ursula, 2022-10-14 Due to the increasing importance of leadership the study of servant leadership and its relationship with equity is vital for community educators teacher leaders public administrators and more It is important to investigate the complex relationship between organizations and leadership structure in an effort to examine the intersection of how we can best improve our organizations and the populations that they serve Cases on Servant Leadership and Equity uncovers the nuances and challenges of servant leadership experienced by diverse servant leaders It explores how servant leaders of diverse backgrounds navigate challenges that are unique to the organizations in which they lead Through a critical lens servant leadership is unpacked through the eyes of leaders that are filtered by race class ethnicity and gender as well as geopolitical spaces Covering topics

such as emotional intelligence rural teachers and employee engagement this case book is an indispensable reference for managers executives sociologists government officials politicians policymakers human resource managers faculty and administrators in K 12 and higher education pre service teachers community leaders librarians researchers and academicians

The Science of Leadership Julian Barling PhD,2014-01-02 In *The Science of Leadership* Julian Barling takes an evidenced based approach relying primarily on the knowledge generated from research on organizational leadership conducted around the world and personal reflections based on two decades of involvement in leadership research and leadership development with executives While leadership has been studied within all the major social sciences Barling mainly focuses on findings from psychological research The first part of the book explains the nature of organizational leadership responds to the question of whether leaders matter and explains how leadership works A longstanding issue is whether leadership can be taught Barling explores the debate over whether leadership is born or made as well as the effectiveness of leadership development interventions in organizations He gives consideration to what can be learned from leadership in other contexts such as sports the political arena and schools and devotes individual chapters to topics that include gender and leadership destructive leadership and followership

Dare to Serve Cheryl Bachelder,2015-03-16 A new perspective on servant leadership challenging us to bring both courage and humility to the table for the sake of the people and the enterprise John C Maxwell New York Times bestselling author In this updated edition of *Dare to Serve* former Popeyes CEO Cheryl Bachelder shows that leading by serving is a rigorous and tough minded approach that yields the best results When she was named CEO of Popeyes in 2007 the stock price had slipped from 34 in 2002 to 13 The brand was stagnant the team was discouraged and the franchisees were just plain angry Nine years later restaurant sales were up 45 percent restaurant profits had doubled and the stock price was over 61 Servant leadership is sometimes derided as soft or ineffective but this book confirms that challenging people to reach a daring destination while treating them with dignity creates the conditions for superior performance The second edition of this bestselling book includes Bachelder s post Popeyes observations and new examples of how you can switch your leadership from self to serve Ever engaging and inspirational Bachelder takes you firsthand through the transformation of Popeyes and shows how anyone at any level can become a *Dare to Serve* leader Extraordinary *Dare to Serve* describes the kind of leadership so desperately needed in the 21st century A powerful blend of courage and humility Cheryl Bachelder s engaging story offers a clear path for leaders to follow and what makes her message so compelling is the tremendous results she s produced I highly recommend this book Stephen M R Covey New York Times bestselling author of *The Speed of Trust*
