**Masters and Servants** Scott P. Stephen,2020-01-09 Stephen offers fresh insight into the path a historic fur trading business took to become one of Canada s most recognizable retailers Literary Review of Canada In Masters and Servants Scott P Stephen reveals startling truths about Hudson s Bay Company HBC workers Rather than dedicating themselves body and soul to the Company s interests these men were hired like domestic servants joining a household with its attendant norms of duty and loyalty The household system produced a remarkably stable political economic entity connecting early North American resource extraction to larger trends in British imperialism Through painstaking research Stephen shines welcome light on the lives of these largely overlooked individuals An essential book for labor historians Masters and Servants will appeal to scholars of early modern Britain the North American fur trade Western social history business history and anyone intrigued by the reach of the HBC Blacksmiths bookkeepers loggers tanners coopers cooks sail makers interpreters surveyors clergy the list goes on as Stephen marches us through the lives of the early Hudson s Bay worker The Ormsby Review Overall the book reflects the work of a historian comfortable with the hard work of archival research and with an eye

for detail and insightful quotations In many respects it does for Hudson s Bay Company employees what Carolyn Podruchny s Making the Voyageur World did for employees of the Montreal based fur trade companies in recreating their values worldview and distinctive work environment Michael Payne Prairie History *Working-Class Raj* Alexandra Lindgren-Gibson,2023-11-02 Explores what happened to working class men and women when they left Britain and travelled to India after the Rebellion of 1857 **Harvard Library Bulletin** Harvard University.
