Servants Ark:

Servants of the Servant Don N. Howell Jr.,2003-11-14 Leadership is a subject that has gained impressive visibility in the past two decades The number of books monographs and articles as well as seminars devoted to the development of one s leadership skills has been almost exponential growth This study is an attempt to forge a full orb ed theology of Christian leadership grounded in the teaching of Scripture What emerges from tracing the theme of leadership through the biblical record is a servanthood pattern one that is wholly distinct from prevailing secular models Our exposition begins with the biblical language of the servant the term of choice for those great leaders used of God to further his saving purposes in the world Eleven Old Testament and five New Testament leaders are profiled The portrait of Jesus Christ focuses on three motifs that governed his training of the twelve for kingdom ministry The Pauline letters are mined for those convictions that governed Paul s practice of leadership both of his mission team and of the faith communities that emerged from that mission The treatment of each leader from Joseph to Paul begins with a series of preliminary questions and concludes with a mini profile that correlates the biblical data with these questions The final chapter offers a summary profile of the servant leader one whose character motives and agenda align with the divine purposes Though designed as a textbook for upper level college and seminary courses on leadership the book s readable format is ideal for churches and parachurch organizations in their leadership training programs The author s prayer is that this work will serve as a catalyst to call God s people back to Scripture and thereby raise up a whole new generation of authentic servant leaders **American Negligence Cases** ,1903

The Case for Lilith Mark Biggs, 2010-03-24 The legend of Lilith is undoubtedly the most fantastic of all ancient rabbinic myths According to lore God created her from dust alongside Adam However Lilith was a failed mate She was not animated by the breath of God like Adam Rather she was preemptively animated by a Satanic mist which erupted from the ground Lilith rebelled against Adam and became the infamous Serpent who deceived Eve and caused Adam to fall Therefore God established eternal enmity between the Serpent Lilith and Eve and between their seed Lilith s seed would bruise the heel of Eve s promised seed Messiah but Eve s seed would revive to crush Lilith s head This book reveals 23 Biblical evidences that prompted ancient rabbis to conclude the various elements of Lilith s legend It also explains how her legend is completely consistent with traditional Judaic Christian teachings on the Bible s redemptive message Her legend solves many ancient Biblical mysteries such as why the Serpent bears seed like Eve The American and English Railroad Cases ,1906
