Sex Education in the Eighties Lorna Brown, 2012-12-06 The odd reader here in England odd means occasional may be interested in how a book comes about Members of the SIECUS Board of Directors were planning a Festschrift and dinner for Mary Calderone on the occasion of her 75th birthday One planning idea was to have a booklet filled with brief essays from prominent sex educators distributed between the roast beef and the ice cream My reaction was that such souvenirs find their burial place in the same dusty drawer as the program from the high school prom and ticket stubs from South Pacific I suggested a more lasting noticeable monument a proper as the English say book which would draw contributions from both SIECUS and non SIECUS scholars I was too clever to be trapped as editor in a 1974 preface I had written I swore I wouldn't edit another book And so I seduced Lorna Brown into being editor I contacted a few potential contributors suggested a few others convinced Leonard Pace at Plenum Press that this was a worthwhile venture and left the country To my amazement six months after settling in Cambridge England the rough draft of the book arrived along with a reminder from Lorna that during the seduction I had promised to write an Introduction *The Gorehound's Guide to Splatter Films of the 1980s* Scott Aaron Stine, 2015-09-18 Reviews of *The Gorehound's Guide to Splatter Films of the 1960s and 1970s* recommended Booklist exhaustive useful ARBA a solid reference work Video Watchdog bursting with information opinion and trivia impeccably researched Film Review interesting and informative Rue Morgue detailed credits entertaining Classic Images Author Scott Aaron Stine is back again this time with an exhaustive study of splatter films of the 1980s Following a brief overview of the genre the main part of the book is a filmography Each entry includes extensive technical information cast and production credits release date running time alternate and foreign release titles comments on the availability of the film on videocassette and DVD a plot synopsis commentary from the author and reviews Extensive cross referencing is also included Heavily illustrated

Cinema and the Second Sex Carrie Tarr, Brigitte Rollet, 2016-10-06 Women's filmmaking in France has been a source of both delight and despair On the one hand the numbers are impressive over 250 feature length films were made by over 100 women directors in France in the 1980s and 1990s On the other hand despite the heritage of French feminism French women directors characteristically disclaim their gender as a significant factor in their filmmaking This incisive study provides an informative critical guide to this major body of work exploring the boundaries between personal films intimate psychological dramas relating to key stages in life and genre films which demonstrate women's ability to appropriate and rework popular genres It analyzes the effects of postfeminism women's desire to enter the mainstream and the impact of a new generation of filmmakers enabling readers to take stock of the wealth and diversity of women's contribution to French cinema during the 1980s and 1990s

Pictures of Girlhood Sarah Hentges, 2015-01-09 Although the coming of age story has been a popular film plot for decades producers have only recently realized the commercial potential of targeting films to adolescent girls Movies like *Clueless* *Legally Blonde* and *Mean Girls* have been successfully marketed to teenage girls as

have several well known independent films Important as both cultural indicators and catalysts these films simultaneously demonstrate pop culture s influence on girls films and the ability of girls films to affect pop culture and perceptions of girlhood This critical survey of film and the modern girl concentrates largely on films of the last two decades addressing key themes for girls within coming of age films the changing but not always improving young feminine paradigm and the ways these films can be powerful determinants of culture The first chapter explores the ways in which girls films construct reinforce challenge and dismantle mainstream conceptualizations of sexuality race and power The second chapter discusses mainstream limitations of coming of age narratives including recycled plots and stars treatments of parental and male authority and adult conceptualizations of adolescence The third chapter describes girls experiences within these narratives through such conventions as attitude teen fashion music and dance unsanctioned rites of passage and race The fourth chapter covers the negotiation of sex and sexuality virginity and sexual empowerment

Seeing Through the Eighties Jane Feuer,1995-10-26 The 1980s saw the rise of Ronald Reagan and the New Right in American politics the popularity of programs such as thirtysomething and Dynasty on network television and the increasingly widespread use of VCRs cable TV and remote control in American living rooms In *Seeing Through the Eighties* Jane Feuer critically examines this most aesthetically complex and politically significant period in the history of American television in the context of the prevailing conservative ideological climate With wit humor and an undisguised appreciation of TV she demonstrates the richness of this often slighted medium as a source of significance for cultural criticism and delivers a compelling decade defining analysis of our most recent past With a cast of characters including Michael Hope Elliot Nancy Melissa and Gary Alexis Krystle Blake and all the other Carringtons not to mention Maddie and David even Crockett and Tubbs Feuer smoothly blends close readings of well known programs and analysis of television s commercial apparatus with a thorough going theoretical perspective engaged with the work of Baudrillard Fiske and others Her comparative look at Yuppie TV Prime Time Soaps and made for TV movie Trauma Dramas reveals the contradictions and tensions at work in much prime time programming and in the frustrations of the American popular consciousness *Seeing Through the Eighties* also addresses the increased commodification of both the producers and consumers of television as a result of technological innovations and the introduction of new marketing techniques Claiming a close relationship between television and the cultures that create and view it Jane Feuer sees the eighties through television while seeing through television in every sense of the word

Sex In The Head Linda R. Williams,2016-07-01 In *Sex in the Head* Linda Ruth Williams uses psychoanalysis and recent feminist film theory to analyze a network of ideas which link looking with sexuality and difference in the work of a writer who disavowed yet covertly enjoyed the pleasures and power of vision The book is a departure from the long history of feminist readings of Lawrence in that it discusses his engagement with theories of the gaze and its cultural forms cinema photography painting and the visual dynamics and metaphors of

literary texts as a way of thinking through gender It shows him arguing on the one hand against the evils of cinema and visual sex while relishing through the eyes of women the moving spectacle of those male bodies which populate the pages of his books It also questions what it is about the work of such an adamant cinephobe which has made it so thoroughly adaptable for film and television

More Sex, Better Zen, Faster Bullets Stefan Hammond, Mike Wilkins, 2020-06-11 How and why did films from Hong Kong, a former British Crown Colony and map speck, become so popular? Post WWII creative freedom was scarce in Asia, but Hong Kong was a safe space for filmmakers seeking to profit from overseas Chinese markets and Chinatowns worldwide. Both Shaw Brothers and Golden Harvest set up massive operations in Hong Kong and let the celluloid slip. By the 1980s Hong Kong's Sammo Hung and Jackie Chan were famous throughout Asia. Their winning formula of humour and martial arts prowess ripped through kung fu stereotypes, while filmmakers like Tsui Hark and Ringo Lam served up fantasy horror and noir crime dramas for rabid cinemagoing hordes in the grindhouses of Kowloon. It was a glorious time. This book is the nonpareil true story of the Hong Kong film industry, one that doesn't skimp on the good bits, the hyperkinetic films themselves. Included are intrepid firsthand accounts of the culture and international fanbases to have emerged around these movies. *More Sex, Better Zen, Faster Bullets* contains the best bits of *Sex and Zen: A Bullet in the Head* (1996) and *Hollywood East* (2000), the two best known tomes on Hong Kong films of the twentieth century, revised and with the inclusion of new material. The result is the most comprehensive encyclopedia of Hong Kong film available anywhere.

Generation Multiplex Timothy Shary, 2014-03-07 *Generation Multiplex* (2002) was the first comprehensive study of the representation of teenagers in American cinema since David Considine's *Cinema of Adolescence* in 1985. This updated and expanded edition reaffirms the idea that films about youth constitute a legitimate genre worthy of study on its own terms. Identifying four distinct subgenres: school delinquency, horror, and romance, Timothy Shary explores hundreds of representative films while offering in-depth discussion of movies that constitute key moments in the genre, including *Fast Times at Ridgemont High*, *A Nightmare on Elm Street*, *The Breakfast Club*, *Say Anything*, *Boyz n the Hood*, *Scream*, *American Pie*, *Napoleon Dynamite*, *Superbad*, *The Twilight Saga*, and *The Hunger Games*. Analyzing developments in teen films since 2002, Shary covers such topics as the increasing availability of movies on demand, which has given teens greater access to both popular and lesser-seen films; the recent dominance of supernatural and fantasy films as a category within the genre; and how the ongoing commodification of teen images in media affects real-life issues such as school bullying, athletic development, sexual identity, and teenage pregnancy.

Samuel, 2013-02-07 Sexidemic is the first real cultural history of sexuality in the United States since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we've had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans' everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation's continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We've fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives
