Walker Caffrey Edd,2009-09 Designed to get kids off the couch and into the world Drive reveals the secrets of raising a self starter Dr Caffrey outlines nine powerful techniques proven to beat boredom and foster resourcefulness **Motivate Your Child** Scott Turansky,Joanne Miller RN,2015-02-03 We need a parenting revolution Most parenting approaches end up encouraging children to ask the wrong questions about life What s in it for me Are you going to pay me for that What s the minimum I need to do to get by But God s Word gives us a better way to parent one that builds strong internal motivation in children When parents change the way they parent kids change the way they live This practical book explores a theology of internal motivation and then gives parents real life solutions to equip their kids for life You ll learn how to parent in ways that build internal motivation so that kids don t have to rely on you to get things done the four promptings of the conscience and how to coordinate your parenting to take advantage of them ways to energize your spiritual training with fun and creativity how to help children respond to mistakes instead of blaming defending or justifying The greatest gift you can give your child is strong moral and spiritual development this book shows you how Every chapter includes practical examples of families applying the Bible to their current issues Join the revolution *Motivate Your Child* Elaine Williams,2015-09-20 Motivate Your Child How to release your child s inner drive and help them succeed in life Part of the Life Psychology Series books written by Psychologists who have practical experience bringing together the latest thinking and practice in a simple and easy to read format aimed at people who need a simple but effective guide for addressing their problems Do you have a child who is lacking in motivation listless and purposeless Are they unhappy and you they don t know why They make very little effort in any of their hobbies or interests or don t have any They are not doing well as school How can we get our children to engage with life To strive to achieve their hidden hopes and dreams It is what every parent wants for their children to use all their potential and have a fulfilling and positive life The reality for many parents in this modern world of mobile phones social media and computer games can seem very different with parents fighting a losing battle to help their children get off the sofa and push themselves a little bit to follow what they really want deep down This guide written with practical experience of what actually works will help you incorporating the latest thinking in motivation and covering all the key years from very young children to young adults and beyond Reconnect with your children understand what drives them and help them be who they really can be Motivate Your Child examines how parents can help a child become more motivated it covers three main age ranges from young children to teenagers and then young adults It challenges some of the traditional thinking regarding motivation that rewards can actually be damaging to motivation and that there may be better long term ways to tap into a child s own internal motivation What others say about Motivate Your Child Our young child became very dependent on rewards to do anything and expected rewards for everything this book helped us realise there are better ways to motivate our child A great book linking theory to daily examples and a useful summary at the end of each chapter it is hard to motivate a teenager but this book actually helped them to motivate themselves Our son was playing computer games all the time and

had no interest in school or extra curricular activities we were worried it s not easy getting them to understand their own motivation especially when competing with his games but it helped us definitely get him moving again and making more effort in other parts of his life A good review of modern and compassionate thinking for motivating children through the various ages with the theory wrapped up with some practical examples and how to s I really struggled with one of my children who seemed so listless it gave me some great insight and I really started to make some headway with getting them to want to do things instead of me just telling them An excellent and practical guide it s not easy but I really did start to understand what motivated my different children and it wasn t always the same thing How to Motivate Your Child for School and Beyond Andrew James Martin, Andrew Martin, 2003 Do you worry that your child has no interest in schoolwork Is your child reluctant to do homework Do you worry about your sons struggling at school while girls are enthusiastic achievers Do you want to help your child manage their study load better so they leave time for sporting activities and simple fun If you answered yes to any of these questions HOW TO MOTIVATE YOUR CHILD FOR SCHOOL AND BEYOND has all the answers and more A positive practical guide to helping children be the best they can be it offers achievable solutions for parents who want their children to do well at school and enjoy the process New research shows the difference between children who are enthusiastic achievers and those who struggle isn t simply the makeup of the child Packed with authoritative information and hands on strategies for parents and teachers HOW TO MOTIVATE YOUR CHILD is a must have for parents and professionals who work with families and children Andrew Martin won the prestigious American Psychological Association s international award for his innovative work on what makes children achieve and happy at school In this book he reveals the secrets that will stop arguments over homework and worries about your child s achievements at school and university forever **100 Ways to Motivate Kids** Julie Polanco, 2019-04-02 This guide offers one hundred free or low cost educational activities that inspire children age six and up to explore the world God made 100 Ways to Motivate Kids offers challenging projects and activities for children ages six through eighteen to engage with the world in relevant creative faith based and educational ways Dividing this guide by age group and subject area covering math nature world cultures and more Julie Polanco includes fresh ideas that help develop twenty first century skills through fun developmentally appropriate experiences In addition 100 Ways encourages community involvement a love for the environment and an entrepreneurial spirit There is no need to buy expensive kits or subscriptions because this pocket sized book covers the same STEAM principles Science Technology Engineering Arts and Math at a fraction of the cost and includes the humanities *Motivating Children by Story* Setiawan G Sasongko, 2020-10-07 The inspiring story can motivate your children without feel pressured You can create the motivating story by yourself You can use the guidebook to increase your ability to make the motivating story What must first be considered when make a motivating story First you determine the goals I will explain to you about the motivating story in this ebook Although the story was intended to motivate your children but do not too vulgar to convey it Patronizing but not feel

patronizing then you children think that it is a fun story **How to Motivate Your Child** A. T. Sorsa, 2011-06-07 Discusses motivation problems in children and provides quick tips for parents on how to help children with homework and improve study skills *Motivating Your Kids* Cheri Fuller, 1990-07-01 Money for Good Grades and Other Myths About Motivating Kids Barbara R. Blackburn, 2019-04-26 In this helpful resource the author guides parents through the top eight myths about motivation and reveals what really works for kids Each chapter is filled with practical information and stories that help you understand how to handle a variety of situations related to your child s success at school Chapters also include specific classroom connections for each strategy so you can begin proactively working with your child s teacher With the accessible advice in this book you ll be able to reach your child more effectively so that he or she is more motivated from within and more successful in school and beyond The Secret Life of the Dyslexic Child Robert Frank, Ph.D., 2002-10-11 An educational psychologist and family therapist draws on his own experiences as a dyslexic to help parents understand their own dyslexic child and their fears frustrations and goals explaining how to help alleviate children s pain with the help of special exercises designed to stimulate a child s ability to think and helpful advice on dealing with dyslexia in a positive way 17 500 first printing *Motivating Your Kids from Crayons to Career* Cheri Fuller, 1991 Teaching Your Child with Love and Skill Joyce Show, 2012-04-15 Parents of children with autism can often feel out of their depth when it comes to nurturing their child s learning and development This book helps parents to make sense of the baffling array of educational interventions available showing how to adapt different strategies to meet the specific needs of their child including those with moderate to severe autism Guided by love faith and unwavering resolve Joyce Show offers practical advice based on her experiences as both a mother and a physician She takes the reader by the hand through all the steps of cognitive social and emotional development from initial engagement to abstract thinking and provides straightforward primers for popular interventions such as Floortime and Applied Behavior Analysis ABA Parents will learn how to motivate play build up communication deal with challenging behaviors and teach important everyday life skills while growing in a trusting relationship with their child This book offers encouragement and guidance to the parents of any child on the autism spectrum whether high or low functioning as well as the teachers therapists family members and friends who support them Is Your Child Hyperactive? Inattentive? Impulsive? Distractible? Stephen W. Garber, Ph.D., Marianne Daniels Garber, Robyn Freedman Spizman, 2010-04-14 Evan five years old hardly stands much less sits still for more than a few moments Jessie is eight she s adorable she never finishes anything on time she s a dreamer Cal is fifteen he is so impulsive that his parents worry he ll try drugs on a whim What do these kids have in common Do they remind you of your own children The most talked about childhood syndrome of the eighties and nineties is ADHD attention deficit hyperactivity disorder This developmental disorder disrupts a child s life and often results in low self esteem poor grades and even social and emotional problems These problems usually are not outgrown without help But does your child have ADHD ADHD is characterized by

the following groups of behaviors Inattention making careless mistakes difficulty sustaining attention problems with listening failure to finish schoolwork or chores difficulties organizing trouble sustaining mental efforts losing things being easily distracted forgetfulness Hyperactivity Impulsivity fidgeting squirming trouble staying seated inappropriate running climbing difficulty playing quietly being on the go driven talking excessively blurting out answers difficulty awaiting turn often interrupting All children display many of these behaviors at some point But according to the Diagnostic and Statistical Manual of the American Psychiatric Association Fourth Edition for a child to be diagnosed with ADHD six or more of these symptoms of inattention and or hyperactivity impulsivity must have persisted for at least six months Is Your Child Hyperactive Inattentive Impulsive Distractible offers an invaluable step by step program already used by thousands of parents to help you change these behaviors at home Don t just watch it happen help your child help himself Your Child Is Defiant David Gottlieb,2012-09-01 Too often books about disobedient children are not helpful to parents because they offer one approach for all children who misbehave In reality there are different causes for rebellious behavior A child could be strong willed or could have a more serious problem like bipolar disorder oppositional defiant disorder or an autistic spectrum disorder Or the problem might be with a parent s emotional state or with the marriage Dr Gottlieb helps parents figure out the underlying cause for their child s behavior Your Child is Defiant Why is Nothing Working is unique in two important ways 1 it explains the diagnostic process in a way parents can apply to their own son or daughter and 2 it shows parents what to do for each possible cause This book is the first detailed step by step guide for parents whose children repeatedly misbehave
