this assignment to unveil the mystery mission of salvation in Christ Jesus Paul stated For Christ s love compels us because we are convinced that one died for all and therefore all died 2 Cor 5 14 The love shown by Christ Jesus Gal 2 20 Rom 8 35 38 is the model of authentic existence and compels believers like Paul who thought that he had no choice but to imitate the selflessness of Christ Jesus to preach the Gospel of salvation in Christ Jesus As a believer in the Savior our Lord and God Christ Jesus I am obliged to write this book about the Son of God who wrought salvation to the universe through his birth on the first Christmas Day his mission on earth for about three years his cruel death on the cross on the first Good Friday and his ultimate resurrection on the first Easter Sunday morning My purpose in this book is not to boast on human intelligence or ability on the contrary it is to show the love of Christ Jesus who condescended and descended humbly from his divine heavenly city to this sinful earthly city in order to bring eternal salvation to all those who believe in him I do hope and pray ardently and fervently that this book might help just one person to come to know salvation in Christ Jesus for the first time or open the spiritual eye and mind of a believer to have a deeper and more holy understanding of the amazing grace and love of Christ Jesus who brings salvation to humanity by his wonderful and mysterious mission of salvation which is unveiled in this book That person in either situation could be you

Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion Biblical Greek Exegesis George H. Guthrie, J. Scott Duvall, 1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach **Complete Introduction to the Bible, A** Christopher Gilbert, 2009 A literary and historical introduction to the Bible exploring the content of both the Hebrew Scriptures and the Christian New Testament but also introducing the reader to scholarly questions and theories about the Bible Haggai and Zechariah Research Mark Boda, 2019-05-21 A review of the past century of research on the biblical books of the prophets Haggai and Zechariah with detailed analysis of the past two decades of key scholarly research and a classified bibliography of over 1200 studies The bibliography is helpfully arranged according to topic under more than 100 rubrics There is a full listing of available resources for study Altogether an extremely useful tool for all students and scholars of the Old Testament **The Hebrew Bible** Dan Cohn-Sherbok, 1996-01-01 Aiming to provide a concise account of the Hebrew Bible this text gives a brief account of the place of the Hebrew scriptures in Jewish life and thought from the early Rabbinic period to the present day This is followed by an outline of each of the 36 books of the Jewish canon and a brief presentation of their contents illustrated by quotations from scripture The presentation

follows the actual structure of the book      **The Rosary Handbook** Mitch Finley, 2017-08-03 Why has the Rosary remained such a popular Catholic devotional prayer In this upbeat and easy to read book Catholic author Mitch Finley explains that the simplicity and depth of the rosary make it a prayer for all seasons The Rosary is perfect for those times when words can't express our feelings when we want to contemplate the basic truths of our faith or when we simply want to enter into God's presence Finley includes a brief history of the Rosary and a short commentary on each of the twenty mysteries The revised edition of this best selling book offers several new features including guidance on praying the Rosary in groups as well as the Rosary's role in the Marian apparitions at Lourdes and Fatima Alternative ways to pray the Rosary a children's Rosary and the Fiat Rosary are also featured in this new edition making it a complete guide to this beautiful timeless prayer      [A Guide to Biblical Commentaries and Reference Works, 11th Edition](#) John F.
