As He Is, 2012-04 Highly absorbing fascinating and even challenging with prayer this book will change your life Through a careful study of Scripture and the Spirit of Prophecy As He Is examines subjects such as the flood Sodom and Gomorrah the plagues of Egypt Israel s use of the sword the final fires of destruction and much more thus reconciling the issue of the supposed contradictions found in the character of God as Satan proposes The rebellion of sin will not be ended until the accusations regarding God s character and government are brought to a close through God s people here in earth s theater Many people simultaneously hold two separate pictures of God They have a thunder and lightning view of the Old Testament God of justice whereas in the New Testament God is seen as the bearer of mercy personified in the gentle Lamb Jesus But Jesus came to show us the Father therefore we are called to cease all double mindedness about who God is He must be the same yesterday today and forever God is one in character and He looks just like Jesus Justice is not sacrificed in Christ but it is not served according to the thoughts and ways of humanity At last it will be seen by all that His justice is mercy Nothing in the world is more important or more necessary than to get the character of God right We can fill libraries up with religious books all being most interesting but if they are not telling the truth about God it is all vain and a waste of time and space As He Is should be read carefully by everybody Herbert Edgar Douglass ThD Author of God at Risk God has not arbitrarily set a time for His second coming but rather He is waiting for the final demonstration of the complete victory over sin in His people through His Spirit The Body of Christ must be pure and clean as the Head of the Body is pure and clean If we are to share
