simply wishing to add a few books to their sports collection About the author Gary Clarke has been playing and watching snooker for over 25 years and has a great knowledge and deep affection for the game He is also an avid reader and book lover and this work combines two of his most passionate interests The author currently lives in his home town of Ipswich and this is his first work of non fiction *Sports web encyclopaedia* C. Ashok,2005 **Play It Right** Kamal Gupta,2022-05-10 A real life underdog tale of one man turning the tables on the casinos and Wall Street without selling his soul to the devil All around the world the words Wall Street conjure up a powerful image For some it is the center of America s capitalist system and the engine of its economic growth For others it is the home of rapacious bankers and reckless traders whose greed would lead to a global financial crisis For an Indian born blackjack player Wall Street represented something else entirely a chance for him to play in the largest casino in the world Kamal Gupta s improbable journey from a wide eyed Indian immigrant to an ultimate insider in the rarefied world of investment banks and hedge funds is a uniquely American story Nowhere else would it have been possible for a scrawny computer scientist to enter the world of high finance solely on the basis of his gambling abilities After spending seven years creating an investment methodology Gupta went on an incredible run generating an unprecedented 103 consecutive months of positive returns while managing money at large hedge funds His success did not go unnoticed and he found himself under constant pressure to take bigger risks to make even more money He refused and always played it right knowing that there was such a thing as enough money something very few if any of his Wall Street peers understood Much like Maria Konnikova s bestseller *The Biggest Bluff* *Play It Right* isn t so much about money as it is about the human condition and beating the odds whether at a casino on Wall Street or in life itself
