The Psychological Aspects of Abortion David Mall, Walter F. Watts, 1979 **Far From the Tree** Andrew Solomon, 2012 Solomon tells the stories of parents who not only learn to deal with their exceptional children but also find profound meaning in doing so **Health and the Environment Miscellaneous: Public health aspects of abortion, December 12, 1983** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health and the Environment, 1983 **Constitutional Amendments Relating to Abortion** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1983 **Feminist Perspectives on Social Work and Human Sexuality** Mary Valentich, James Gripton, 2016-06-10 First published in 1985 this ground breaking volume contributes to a largely neglected area of social work research theory and practice The collection of essays by internationally known social work educators and practitioners applies feminist perspectives to a wide range of issues influencing the social work profession and social work practice In doing so it demonstrates that a liberal feminist position is consistent with social work practice Nearly all the chapters focus on direct practice issues such as problems faced by women who have been sexually assaulted the lack of adequate health care provided to lesbians from traditional health care systems and sexist bias in sex therapy and family therapy models This book will be of interest to students and practitioners of social work **The Risky Business of Adolescence** United States. Congress. House. Select Committee on Children, Youth, and Families, 1992
